Board Turns Down Plans for New City

County supervisors Monday, for the second time in a week, turned thumbs down on Rancho Mirage when they denied the petition for an election to decide incorporation of that community.

Last week they voted down a zoning permit for a quarter horse track which had been recommended by the county planning commission.

THE VOTE was three to one with Homer Varner, representative of this district being the lone dissenter. Supervisor Fred Anderson supported Varner's contention that action should be postponed for further study but passed his vote.

Voting against the proposition were Supervisors William Jones, Roman Warren, who moved that the petitions be denied, and Fred McCall.

THE ADVERSE DECISION was based on the contention of the majority of the board that proponents of incorporation had failed to prove that there were 500 inhabitants, as required by state law, within the boundaries of the proposed city.

M. H. Dougherty, legal representative of the supporters of the plan and of the Desert Turf club, said that it had been proved that there were 616 inhabitants in the area.

HE SAID, however, that he could not say at present whether proponents would take the matter to the courts to seek a reversal of the board's decision. Last week when supervisors refused a zoning permit for the Desert Turf club, it was announced that the courts would be given a chance to decide the issue.

The vote came after an hour and one-half of arguments and testimony of proponents and opponents of the incorporation petition.

OPPOSITION CHALLENGED the 'census' figures taken by the proponents and said that there were not 500 residents in the proposed new city.

TAMARISK WIDENING PROJECT STUDY BEGUN

Widening of Tamarisk road by removal of trees along the roadway was discussed by city council Tuesday evening, and the project was referred to Public Works Director Frank Hamerschlag for study and recommendation.

The project was recommended to council by the city planning commission. The proposal did not receive unanimous support from council during the discussion, with Councilman Earle Strebe pointing out that widening of the

roadway would turn it into a "speedway." Councilman Ted McKinney discounted the value of the project, saying that space gained would be immaterial when sidewalks were constructed there.

Mayor Florian Boyd supported the proposal. City Manager R. W. Peterson told council that the project had been discussed about a year ago, and at that time property owners in the area were "reluctant to see Tamarisk widened."

ANNOUNCE PLANS FOR 39TH SUNRISE SERVICE

Plans were completed today for the 39th annual Sunrise Service to be held from the traditional site—Inspiration Point above the O'Donnell Golf course—at 5:30 a.m. Easter Sunday.

Beginning in 1917 when winter visitors gathered with the few permanent residents of the Village and members of the Indian tribe, the Easter Sunrise service has become one of the features of the Village through almost four decades.

Dr. James H. Blackstone, Jr., minister of Palm Springs Community church, which annually sponsors the ceremonies, said that the services will start with a trumpet fanfare heralding the dawn of Easter morning.

INVOCATION will be by the Rev. Jack B. Morrow, pastor of Four Square church of Palm Springs.

Three Easter anthems, "Let Thy Holy Presence," by Tschernoff; "Christ our Passover," by McFarland and "Unfold Ye Portals," by Gounod, will be sung by the combined Community church choir and the Palm Springs a Capella choir.

BILL HAY, who has taken part in Easter Sunrise service here for 20 consecutive years,

will present his annual Easter readings.

The Easter sermon will be preached by Dr. Blackstone.

Benediction will be by the Rev. Deran Yaylian.

The services will be amplified over a loud speaker system.

One Killed, One Hurt in Heavy Holiday Traffic

Most congested traffic in Palm Springs this season resulted in an unusual number of accidents last weekend, including a pedestrian-car mishap which claimed the life of one person and seriously injured another.

The driver of the car, Augustus Walton, 30, 210 Gila road, was arraigned in justice court Tuesday on a charge of drunk driving involving personal injury. Maximum penalty under the felony charge is five years in state prison and \$5,000 fine. His preliminary hearing was set for 10 a.m., Tuesday, April 19.

VICTIM OF THE ACCIDENT was Mrs. Gwendolyn Smith, 35, of Long Beach, who died at Desert Hospital at 7:45 a.m. Sunday, about four hours after being struck by Walton's car. Injured was Louis William Roepke, 49, also of Long Beach, who suffered multiple fractures. **See TRAFFIC, Page 4a**

Council Votes to Set Up Initial Parking District

Hearing Set for May 17 on Proposal

Adopt Ordinance
Providing \$125,000
Payment for Land

Establishment of the first parking district in the City of Palm Springs moved one step nearer reality Tuesday night, with adoption by city council of an ordinance of intention under the State Vehicle Parking District Law of 1943.

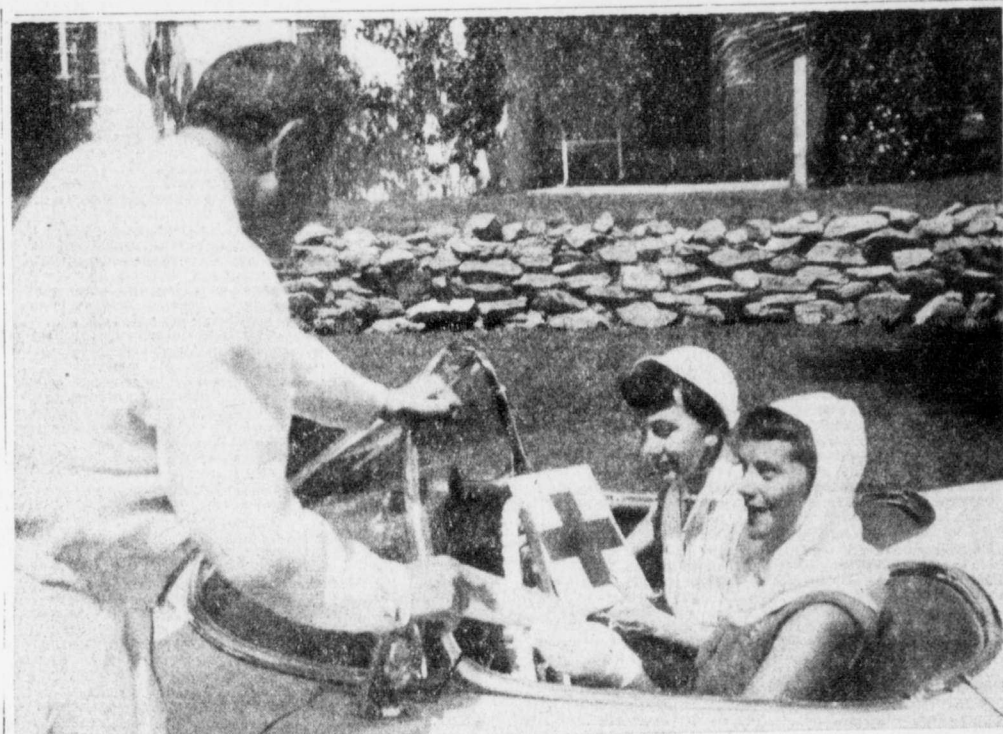

Under the ordinance, a public hearing is set for 8:30 p.m., Tuesday, May 17, at which time protests will be heard. Protests must be in writing to be valid, and must be submitted to the city clerk prior to the hearing.

JUDGING from the number of property owners who expressed approval of the measure through petitions asking that the city initiate the action, it is believed that the necessary 50 per cent will not protest the parking district establishment. Of property owners in the district, 69.30 percent expressed approval, and another large holder of property said that he was not opposed to its establishment. City Manager R. W. Peterson reported at the meeting.

THE ORDINANCE provides for payment of \$125,000 for the land involved, located between Indian avenue and Palm Canyon drive, facing on Tahquitz drive. It also provides for additional payment of up to \$25,000 to the owner for damages, and sets up a fund of \$25,000 to be used for improvement of the property.

Contacted following the meeting, A. M. Liebling, president of Mutual Enterprises, Inc., owner of the property, said that severance damage is "expected to be in the hundreds of thousands of dollars," rather than \$25,000, as establishment of the parking district would "prevent him from putting up a substantial structure on Palm Canyon drive."

FUND CAMPAIGN of the Palm Springs Branch, American Red Cross, is expected to be completed within 10 days. Quota is \$16,000. One of the features of the round-up campaign is the Hotel division drive, under the chairmanship of Mrs. Robert Burns. She is telephoning all hotels who have not contributed, and a car is immediately dispatched to collect the donation. First hotel to contribute this way was Casitas del Monte, and Manager Ed Davidson is presenting the donation to Mrs. Charles Mendelson and Mrs. Burns.

Council Orders Economic Survey of Palm Springs

City council Tuesday evening approved the hiring of H. C. Timberlake of Madison, Wisconsin to prepare an economic survey of Palm Springs and surrounding area for use in the city's intervention in United Air Lines application before the CAB.

Timberlake's bid of \$1750, plus an estimated \$750 for out-of-pocket expenses, was the lowest of four received.

United has applied to the CAB for a permit to service Palm Springs. A hearing date has yet to be set.

MINOR INCIDENTS MARK VACATION WEEK HERE

Visiting teen-agers in the Village have been a peaceful group to date, and it is anticipated that the Easter Week vacationers will continue their quiet and orderly behavior. Police Chief August G. Kettmann reported Wednesday.

As usual, a small proportion has caused some trouble but even this has been of a minor nature.

The police department will continue its "polite but firm" policy towards vacationing students during the remainder of their stay here, with special emphasis on illegal possession of intoxicating beverages and vandalism.

THE PREVIOUSLY announced policy of strict enforcement of the liquor law was placed into effect in the only violation to date. A 20-year-old Montclair, New Jersey, youth was arrested early Tuesday morning after he had "passed out" in his parked car, and was charged with drunkenness and also illegal possession of liquor and beer. In the youth's car was a bottle of Scotch and also a large amount of beer.

Two Indian youths were taken into custody on a charge of stealing hub caps Sunday night and were later released to the custody of their parents as it was the first blemish on an otherwise perfect record of behavior. Nine hub caps, all from Cadillacs, were recovered.

NUMEROUS CONTACTS have been made with youngsters, Chief Kettmann said, and in some cases where they do not have suitable living quarters, parents have been called and the youths sent home.

In a reverse procedure Saturday, parents called the department from Los Angeles and asked them to locate their teenage sons who had come to Palm Springs without their parents' permission. The boys, 14 and 15 years of age, were located within an hour and held in custody until the parents arrived in the Village.

Five boys from West Covina were requested to leave the Vil-

lage and return home after neighbors complained of a large group of juveniles congregating at a private home; as **See VACATION, Page 4a**

Peterson Urges Villagers to Join in ARC Course

City Manager R. W. Peterson, local Civil Defense director, this week listed four reasons why Villagers should enroll in the free Red Cross First Aid course starting tonight, Thursday, at 7 p.m., at Frances Stevens school cafeteria.

An important feature of the series will be a course in defense against atomic radiation.

THE REASONS listed by Peterson are:

"For yourself. Your confidence when you know what to do in an emergency is practical insurance if you, a loved one or a stranger need help."

"For the city. First aid training develops safety consciousness which helps prevent accidents. The whole community benefits when trained citizens can help victims and prevent panic."

"FOR CIVIL DEFENSE. A stable, disciplined person is a mainstay in any kind of disaster. You can find no more practical way to be of service to your country than by taking part in the Civil Defense program, of which this course is a part."

"To help train others. One person can train a great many in simple rules of what to do, and even more important, what not to do in emergencies. Some day many lives may depend upon your know-how."

Persons interested in taking the course are urged to attend the first meeting tonight.

Booming Bell No Longer Will Toll at Cathedral City

In Cathedral City today there is no one for whom the bell tolls.

Because there isn't any big bell to toll, just a smaller one to clang.

There's a history behind the bell which has sounded the call to worship at Cathedral City Community church for so many years.

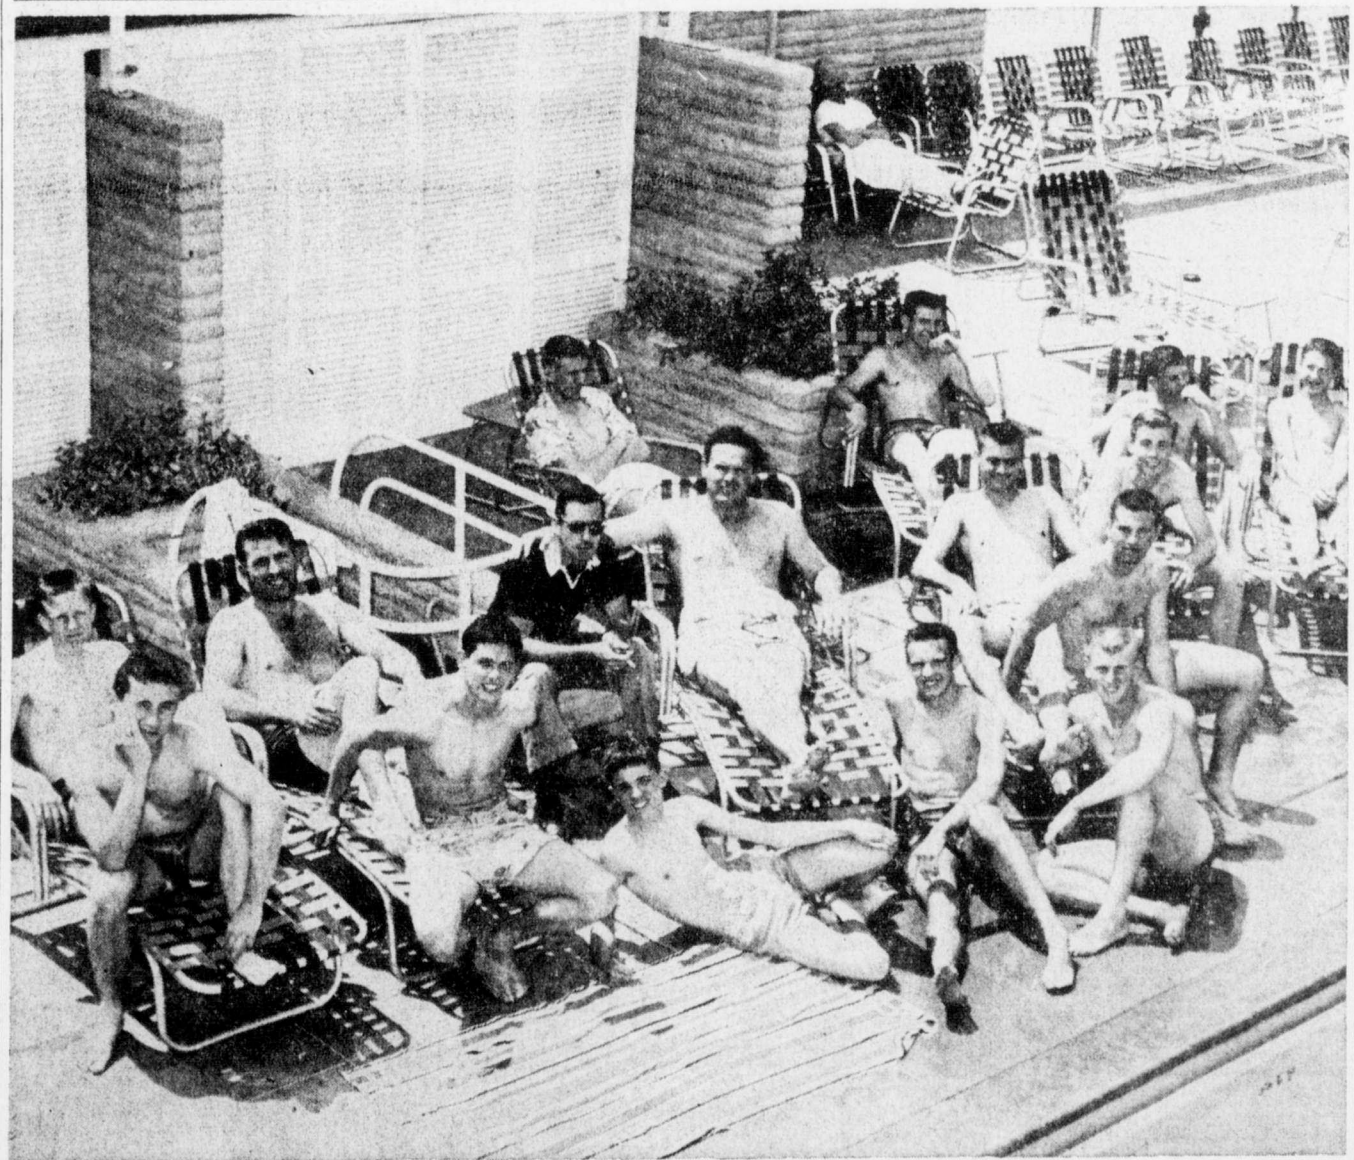

Away back in 1930, shortly after the Town Hall was built and a volunteer fire department organized, the city of Banning loaned Cathedral City a big bell which they were no longer using. Owing to a legal quirk, Banning could not sell or give away the bell. So it was understood the bell was simply on loan to Cathedral City.

Then when a new fire hall was built there and a siren installed the bell was again surplus and re-loaned, this time to the Community church.

But now Banning has built a new fire hall which is to be dedicated today. And so, both for its use and its historical value, return of the bell was asked.

The bell tower alongside the church now stands empty. A small stand-by bell which was installed when the church steeple was built last year, will be heard instead of the deep-toned boom of the old fire bell.

It's not going to be the same, say long-time Cathedral City residents.

BENEFIT FIESTA for Mickey Finn's Boys Ranch will be held Wednesday evening, April 13, at the Howard Manor, with a capacity crowd of Villagers expected to attend the event. Entertainment, an authentic Mexican dinner, and several sur-

prises are promised those in attendance. All proceeds will go to continue the vital youth rehabilitation work of Finn. Above Finn and his boys are pictured enjoying a swimming party at El Mirador Hotel last weekend.

Tickets Go Fast for Fiesta to Benefit Finn Boys' Ranch

Tickets are going fast for the benefit Fiesta for Mickey Finn's Boys Ranch, to be held Wednesday evening, April 13 at the Howard Manor, according to Bob Howard, Bob Higgins and George Strebe, co-chairmen of the event.

Only a limited number of tickets are still available, and persons interested in attending the Fiesta are asked to call 9805 for reservations. Tickets are also available at various night clubs around the Village, including the Howard Manor and Doll House.

All proceeds will go to continue the vital youth rehabilitation program of Finn.

Featured at the Fiesta will be entertainment, authentic Mexican food, and several surprises not yet revealed by the committee in charge of arrangements.

Among entertainers who are scheduled to appear are the Playmates of Howard Manor, Guadalajara Boys of the Doll House, Johnny Boyle, Don Marteen and Tex Kidwell.

In attendance also will be Desert Circus Sheriff Bill Groves and his deputies in full costume.

The Fiesta will be held in the spacious patio of Howard Manor, with all tables to be centered around the swimming pool.

UNEDITED

By BILL RASHALL

Our fashions for both men and women, and children as well, are so far ahead of the rest of the nation, I cannot for the life of me understand why we do not have the traditional Easter Parade after church or before church on Sunday!

This project could very well be taken in hand by that dynamic and lovely redhead called Melba Bennett. Of course, everybody should know that it was Melba and her straw hats which are now, and have been for years, a rage in Palm Springs and have spread across the nation. Please, no arguments regarding the origin of these hats and the creator of them. I remember Melba wearing them as long as 12 years ago and she wore them most of the winter seasons.

IN HER HAND and under her direction, a parade of Easter fashions would soon whip itself into the tradition it should be right here in Palm Springs.

And while we are on the subject of Easter fashions and most important of all Easter church services, the Breakfast brunch after church in the Kiva Room of El Mirador hotel should be about the biggest event of that day in Palm Springs. The inner patio of El Mirador or the grounds of the Desert Inn are such ideal settings for an Easter Parade.

Easter egg hunts are going to take place in several spots in the Village, The Ranch club, El Mirador hotel, the Desert Inn and The Tennis club have held them every year.

THERE IS ONLY one thing I hope I live long enough to see and to take a picture of personally; E. Roy Fitzgerald dressed up as the Emir of the Beaux Arts Ball April 22. The picture, of course, should show E. Roy dressed in his royal robes and his harem gathered around him. The harem, my dear children, is synthetic. Only for the occasion. Otherwise what would E. Roy Fitzgerald do with a harem? I'm only conjuring on paper that's all. Nothing else is meant. No hidden meanings except perhaps the one that Irish back in 319, Blackstone

Hotel, Chicago, will form. And it is to him I would send one of these pictures. I know just what he'll do with the picture, too, but I can't tell. E. Roy Fitzgerald knows as well.

But all kidding aside, it should be one of the most colorful Beaux Arts balls ever held in Palm Springs. That is, including E. Roy Fitzgerald and his harem. What a grand and glorious sight that's going to be!

Miscellaneous during Circus Week are really going to have a hard time getting away from one High Sheriff Willie Groves. He means business when at play or at work. I've seen him in action. Everybody is bound to have a lot of fun.

SOMETHING SHOULD BE done about the traffic at the point where Indian avenue and Palm Canyon drive meet. Had an occasion to visit the offices of Theresa Press the other noon and while waiting for her watched the flow of traffic from the four lane thoroughfare of Indian avenue and that two lane street called Palm Canyon drive merge at that point. It was actually frightening to me.

Motorists are supposed to stop before entering Palm Canyon off Indian, while those traveling South on the former drive, barrel right through. If, per chance some driver fails to make that stop on Indian, woe is mine and to the beautiful architecturally designed Press real estate and construction office. I picture both cars locked together by impact and rolling like a juggernaut right through the Press offices. Believe me, I believe it may well happen.

Our only suggestion is that a sign be placed on Palm Canyon drive at that point, compelling automobiles from both streets to come to a full stop. If one should miss, the other may not.

Ruth Nelson handed me several lines entitled "Take Time for Everything." One of them reads as follows:

"Take time to love and be loved. It is the privilege of the gods."

Surveys Begun on Expansion Need at Hospital

Preliminary survey which will lead to construction of an additional wing for Desert Hospital to meet the growing needs of the institution was started this week by Robert Henwood, administrator, and Palm Springs physicians.

The survey will determine how many patients are being treated at their homes because of lack of sufficient room at the hospital and other factors pointing to the need of expansion.

When the complete figures are compiled, plans can then be assembled for needed expansion, he said. No official action has been taken as yet.

Henwood said that one of the first additions would include a physical therapy department. The entire project is still a year away, he said.

Stop Signs

To Go Up Along Sunrise Way Soon

Stop signs will be installed at all streets leading into Sunrise Way between Highway 111 and Chia road, city council directed Tuesday night.

Request for the action was made by City Manager R. W. Peterson, who said that recent building activity in the area made the installation of additional arterial stops a necessity.

The action had been previously approved by the police department, and the safety committee of council.

Gusty, Dusty

But Storm Does no Damage Here

Windstorms which swept all of Southern California over the weekend and even extended into the central state area, did little damage here, police and utility officials said.

The gusts swirled up dust and scattered palm fronds in portions of the Village but toppled no trees or power lines as it did in the coastal areas.

William C. Tackett, owner of The Center, and Bud Bachtold, of Don the Beachcombers, were named as directors of the Palm Springs Chamber of Commerce at a meeting of the executive committee Tuesday night.

They replace B. F. Shearer, president of the Home Owners League, and Joe Gamble, who resigned.

In other action, the group approved the Chamber's entering a float in the Desert Circus parade April 16.

Members of the executive committee present were President Harold West, Francis Crocker, Robert Metzdorf and Harry Paisley.

Defer Zoning for Annexed Area

Council Tuesday evening deferred action on adopting a zoning plan for the annexed uninhabited territory, and returned the plan to the planning commission for inclusion of appropriate zones to allow southern Pacific to make use of natural resources, under conditional permits.

A public hearing was held prior to the action, at which no one presented any protests to the zoning plan.

Parking Meter Violations to Mean Trouble

Strict enforcement of parking meter regulations, with emphasis on violations by merchants and their employees, was announced Wednesday by Police Chief August G. Kettmann.

Citations will be issued to those persons who park on Palm Canyon drive or Indian avenue while they are at work, and thereby keep potential customers from parking, Chief Kettmann said.

He termed it a "reluctant decision," but one which was made necessary by the many protests received by the department.

Obituary

MRS. KATHLEEN STEFFEY
Graveside services were held in Live Oak cemetery at Monrovia, for Mrs. Kathleen B. Steffey, 59, who died Friday.

A native of Oklahoma, she had been a resident of Palm Springs for 20 years.

She is survived by her husband, Robert W. Steffey of Palm Springs, a daughter, Mrs. Sarah F. Amendt of Arcadia and two brothers and two sisters.

The Rev. Robert Stanley of Monrovia officiated at the services and Wiefels and Son of Palm Springs were in charge of arrangements.

ARTHUR C. KING
Arthur C. King, 77, of North Palm Springs, succumbed Monday as a result of heart attack. He was stricken while walking in the 100 block on South Indian avenue. Rushed to the hospital he was pronounced dead on arrival.

Wiefels and Son mortuary is in charge of arrangements and the body will be shipped to Iowa for funeral services.

Mr. King is reported survived by seven daughters and four sons, none of whom live in Palm Springs.

SUPERVISORS TOLD OF DESERT AREA NEEDS

If supervisors will heed the needs of the Coachella Valley and the desert area, they will stifle the secessionist move in the vast eastern end of the county, the board was told by a large delegation when it met at Coachella city hall Tuesday in the second of its traveling meetings.

Speakers outlined a series of improvements, a program which supervisors said they would study.

PAUL CLARK, of Cathedral City, immediate past president of the Coachella Valley Advisory Planning committee, told the board that the county's geography, extending 200 miles east to west, will eventually lead to the creation of Desert County.

But, he said, that much of the current dissatisfaction existing in the large area this side of the mountains can be eliminated if supervisors meet with the residents of the area more often and "give a more equitable return for the tax dollar."

AMONG THE IMPROVE-

MENTS sought for the east end of the county are a branch of the county general hospital in the area; improved sanitary measures such as rubbish dumps and garbage disposal facilities now under strain because of the rapid growth of the desert section; adequate zoning plans and an equitable share in the proposed government building expansion.

Clark warned the board that Coachella Valley may not support the big bond issue planned this year if most of the funds were spent in the county seat district.

ON THE QUESTION of re-alignment of supervisorial districts, supervisors said they were in favor of equalization of the districts but that the citizens of the fourth district had not indicated their views on the proposal.

No word has been given supervisors on proposed new boundaries for districts. They also said that they were awaiting more definite word from the county planning commission on redistricting.

LIBRARY NOTES

In his book "Neighborhood Frontiers" Erle Stanley Gardner speaks of the very real contribution the Mexican offers toward a richer and happier appreciation of life. And for the traveler bent on exploring the Mexican way of life the Welwood Murray Memorial Library has a large assortment of books. They range from the very factual tourist guide (Clark's "All the Best in Mexico") and that comprehensive aid to the harried visitor, "The Standard Guide to Mexico and the Caribbean" by Lawrence and Sylvia Martin) to such investigations of Mexican culture as Miguel Covarrubias' study of "Mexico South, The Isthmus of Tehuantepec"; and from the brash and irreverent attitude of David Dodge in "How Green was My Father" to the sympathetically appreciative mood of John Hilton's "Sonora Sketchbook."

Mr. Gardner, who tours with an entourage including automobiles, secretaries, friends and canned food, is a perspicacious and friendly traveler. "The Land of Shorter Shadows" is the story of his trip from Tijuana to Cape San Lucas at the southern end of Baja California. At one point he explains that he only made the mistake of locking his car once. Usually he "left the automobiles with thousands of dollars' worth of provisions and cameras, binoculars, telescopes, typewriters, tools and equipment in them" and "never had a thing taken from any of the cars." David Dodge, on the

other hand, asserts that "anybody who has ideas about traveling through Mexico with things lashed on the outside of a car might as well throw the things away before starting. They get pinched."

It is apparent that Mr. Gardner is very sympathetic with Mexico and the Mexicans and patronizing contempt for the foreigner is no part of his outlook. One finds this same approach in John Hilton's "Sonora Sketchbook" with its lively picture of life in northern Mexico. This book is full of interesting line drawings by the author. Even the chapter titles are intriguing: "The Love-Life of the Jumping Bean; The Social Aspects of Carrying Water. The Beggars who Smelled Like Violets; and The Funeral That Came Too Late."

At the other end of Mexico is the isthmus of Tehuantepec and this area is the subject of Helen Augur's book "Zapotec." Miss Augur, one time special correspondent from the Chicago Tribune and the New York Herald Tribune, is a sensitive and observant traveler and her picture of "perhaps the oldest people of gentle breeding on this continent" is worth reading.

Mexico will surely charm the wanderer in this land. As Erle Gardner points out in "Neighborhood Frontiers": "In our neighborhood frontiers, waiting to be explored, are intellectual, emotional and spiritual values that could affect profoundly the American way of life."

DELUXE PARK EXPANDS

Work is nearing completion on the first unit of the great expansion program planned by the Deluxe Trailer Park situated in the heart of Cathedral City.

When entirely finished, the park will have nearly three hundred trailer spaces, doubling its earlier capacity. The grading contractor has been working nearly all season, and now the extensive grounds are ready for final construction.

All utilities will be underground, and a large barbecue and play space has been added to complement the present facilities which include a heated swimming pool.

Literally miles of improved streets have been installed in what really constitutes a city within a city. Each "lot" has its own water, electric and sewer connection, as well as a concrete trailer foundation and room for a tiny green yard with landscaping if desired.

Safety Tips

PEDESTRIANS FIRST

One out of four of California's traffic victims last year was walking.

California Highway Patrol Commissioner B. R. Caldwell cited this fact after reviewing a Highway Patrol statistical survey which shows that 706 of the 3104 persons killed in the

state last year were pedestrians. "The report definitely indicates that many motorists are failing to accept their responsibility where pedestrian right of way is concerned," Caldwell declared.

"Almost thirty percent of all pedestrian traffic victims were killed while crossing streets at corners with the green light in their favor, or at intersections where no signal control existed. Motorists must yield the right of way in either instance."

"Elderly pedestrians always merit extra consideration and

respect. Frequently they fail to see impending danger or are unable to dodge it," he explained.

Last year 266 of the state's 706 pedestrian fatalities, or 37 percent, were age 65 or over.

"Odds against the pedestrian winning a brush with a motor vehicle are insurmountable and the motorist must slow down or stop when necessary to avoid a collision," the Commissioner reminded.

NEW TRAFFIC CONTROL PLAN URGED FOR CITY

Public safety committee of city council, together with City Manager R. W. Peterson and Police Chief August G. Kettmann Wednesday morning held the first of several meetings for study of a parking and traffic report prepared for the City of Palm Springs by Joseph E. Havenner, manager of the Southern California Auto Club's public safety department.

Additional meetings are planned in the near future, and recommendations for action on various phases of the report are expected to be presented to council at its next meeting Tuesday evening, April 19.

AMONG THE TRAFFIC recommendations presented by Havenner are:
"City of Palm Springs explore the possibility of relocating the State Route (Highway 111) from Palm Canyon drive to Indian avenue."
"A double center line should be established on Palm Canyon drive on the approaches to important intersections and crosswalks."
"Palm Canyon drive should be laned for four lanes of traffic with a double center line where the street width is sufficient."

"It is suggested that officer control and special traffic planning continue to be the basis for the safe and expeditious handling of traffic on Palm Canyon drive during periods of peak traffic. If traffic control devices such as signals and stop signs are to be employed on Palm Canyon drive, experimentation should be made with portable installations and permanent installations on this street are not recommended."

"It is suggested that an extended use of the right and left turn controls be appropriately employed during peak traffic periods."
"It is suggested that study be given to the advisability of establishing one-way traffic between Palm Canyon drive and Indian avenue on the following streets: Arenas road, west bound; Tahquitz drive, east bound; Andreas road, west bound, and Amado road, east bound."
"It is suggested that study be given to the advisability of signaling the intersections of Indian avenue and the following streets: Ramon road, Arenas road, Amado road and Tamarisk road."

of both legs, a broken pelvis and lacerations of the face and body.

Mrs. Smith, Roepke and Mrs. Grace Russell, Inglewood, were crossing the roadway in the 1100 block of North Palm Canyon drive, after having been to a restaurant in that vicinity. Mrs. Russell, who escaped being struck by the vehicle, told of seeing it in time to jump out of its path, but was unable to warn the others.

SCENE OF THE ACCIDENT was the same as where two women were struck and seriously injured in a hit-and-run mishap in February. After the first accident, city officials started a study to determine the advisability of placing a crosswalk in the area and had contacted state highway department officials prior to the second injury and death.

City Manager R. W. Peterson, City Engineer Frank B. Hamerschlag and Police Chief August G. Kettmann met Tuesday afternoon with State Highway Traffic Engineer Moore and requested the state to locate another crosswalk in the vicinity of the intersection of Tachevah drive and Palm Canyon drive, which would be lighted similar to other crosswalks on Palm Canyon drive.

Before the charge was filed against Walton a coroner's jury had ruled Monday that the death of Mrs. Smith was "accidental."

IN ANOTHER pedestrian-car accident at 9:54 p.m., Saturday, Charles Edelstein, 38, Los Angeles, was uninjured after being struck by a car driven by Lt. Col. Howard Eugene Helliesen, Yuma, Arizona, in the 500 block of North Indian avenue. Edelstein was rushed to Desert Hospital for examination following the mishap.

The driver of the car was not cited.

OTHER ACCIDENTS WERE: Claire Loughrin, 29, Alhambra, received emergency treatment at Desert Hospital Sunday evening for a one-inch cut on an eyebrow following an accident involving her car and one driven by Arnold Lee Benson, 22, Los Angeles, at 8:25 p.m., in the 1000 block of North Palm Canyon drive.

Damage estimated at \$375 were caused to vehicles driven by Stanley C. Doyle, 48, 2675 North Indian avenue, and Robert Lee Ernst, 25, 133b Ocotillo avenue, in a collision at 11:09 p.m., Sunday, at the intersection of Tahquitz drive and Palm Canyon drive.

Ernst, traveling south on Palm Canyon, was in the process of turning left onto Tahquitz drive, and Doyle was traveling north on Palm Canyon.

A CAR DRIVEN by John J. Frederick, 49, Pasadena, was struck in the rear by a vehicle driven by Harold S. Bach, Los Angeles, while traveling south on Indian avenue Sunday. Damage to Frederick's car was estimated at \$200.

Harold J. Poll, 53, Seattle, was cited for violating the right-of-way of a vehicle driven by Alice Scully, 210 East Cerritos, following a collision at 11:08 p.m., Saturday, on McCallum Way, near the airport.

Poll, traveling west on McCallum was in the process of crossing the east-bound lane of traffic, and Mrs. Scully was traveling east on McCallum. Damage estimated at \$350 was caused to each car.

Greg Grant, 18, San Marino, was cited for disregarding an arterial stop following an accident at the intersection of Via Miraleste and Paseo El Mirador involving his car and one driven by Carlos Ramon Guadino, 32, San Bernardino, at 4:13 p.m., Tuesday.

THREE CARS were involved in another accident at 10:53 a.m. Tuesday, involving cars driven by Doris Janske, 151 North El Segundo; Frank Glicksman, Culver City, and Gary Engelken, Los Angeles.

The Janske car stopped for a pedestrian cross walk at 435 North Palm Canyon drive as did the Glicksman car behind her. Engelken's vehicle then struck the Glicksman car, forcing it into the car ahead.

Damage to Glicksman's car was estimated by Officer Harold Rowland at \$150, and to Engelken's at \$200.

who oppose incorporation asked supervisors to exclude their property before calling an election. Attorney Dougherty said that there was no evidence to make a legal justification of exclusion and the board's own legal aide, Deputy County Counsel Leo Deegan, agreed with him.

LAST WEEK when Dougherty challenged the board's legality in ruling on the zoning permit, another deputy county counsel also agreed with him.

Supervisors failed to heed either although they did not act on the exclusion request Monday because of their action in denying the election request.

When the election petition was first presented a few weeks ago, County Clerk G. A. Pequegnat told supervisors that it was fully qualified.

were two others from Long Beach who were found in the company of a woman who was arrested for drunkenness. Possession of rifles in their car, found on a routine check, resulted in four others, ranging from 15 to 17 years of age, being given the same advice.

MINOR CASES of vandalism were reported by several hotels, and Sunair Drive-in theater told of a group stealing a speaker, and another case of someone breaking a speaker pole.

These few instances of misbehavior, compared with the thousands of vacationing students in the Village, emphasize the peaceful atmosphere in the Village during the first half of the Easter Week, Chief Kettmann said.

sible under the parking district, Liebling said.

Liebling termed the cost of the property, plus damages, as excessive, for the amount of parking spaces gained. Reviewing plans the corporation had for establishing an 80-space lot for servicing its stores, he said that the city program would add at the most 30 parking spaces.

"I believe," Liebling said,

"that before the action goes much farther, the city will rescind its action as officials and property owners will realize that the matter is too costly for the benefit gained."

Hills Vanishing as Highway 60 Work Proceeds

Scenery along the route of Highway 60, the road to the county seat at Riverside, is changing.

Heavy equipment is chopping down the mountains and filling canyons as Match Pavement Company of Colton are building a new four lane highway to replace the twisting, narrow road labeled the most congested in the county, between Beaumont and a point on the other side of the range.

The old road, which is disappearing, had many steep grades and curves which often resulted in long strings of cars crawling behind slow-moving trucks.

During construction, expected to continue well into the fall, traffic is being rerouted over the narrow, old Jackrabbit trail.

Cooperation

City Asks All to Aid in Sign Law

An appeal to merchants to cooperate with the city in regard to the recently amended sign ordinance was made this week by City Manager R. W. Peterson, in order to avoid court action against offenders.

Strict enforcement of the law will be started in the near future, Peterson warned. Most of the merchants are cooperating with the city, but a few still are in violation, he continued.

The new amendment limits the size and number of signs which may be displayed in a store or business establishment window.

Last Warning

Second Half Taxes Deadline Monday

Final warning was given this week by V. M. Hyde, county tax collector, that second half of property taxes must be paid by 5 p.m. Monday.

All payments not made by that time or, if by mail, not postmarked 5 p.m. April 11 or earlier, will be subject to a 6 per cent penalty.

Miss Hyde issued the warning because many tax-payers might not be aware of the change in date. Deadline was formerly April 20.

County Satisfied with Settlement on Boundaries

State legislators from Riverside, San Bernardino and Imperial counties have reviewed a summary report of the Colorado River Boundary Commission to which a boundary settlement between California and Arizona was proposed.

Assemblyman Lee Backstrand of Riverside, a member of the Commission, said he has been advised by Ray T. Sullivan, county counsel of Riverside, that the proposed boundary is "highly satisfactory" to Riverside County.

Sullivan said the new boundary would be very "favorable from the point of view of ranchers and other property owners of Palo Verde Valley."

Backstrand said discussion by the legislators pertained to the commission's report and pending Colorado River boundary measures before the present session of the legislature.

BULLETIN: Flying Saucers, Venusians, Land in Palm Springs

Rushed to the site, astronomical professor I. Seinem, jubilantly proclaimed that he actually conversed (via telepathic projection) with a diminutive Venusian as he emerged from one of the inter-planetary disks.

"What," beamed the professor, after shaking all eight of the traveller's hands, "what out of the world are you doing here?"

The Venusian, obviously tired, unscrewed his head, placed it delicately in his lap as he sat down on the curb, and projected the historic message: "GLIMPX-STL!"

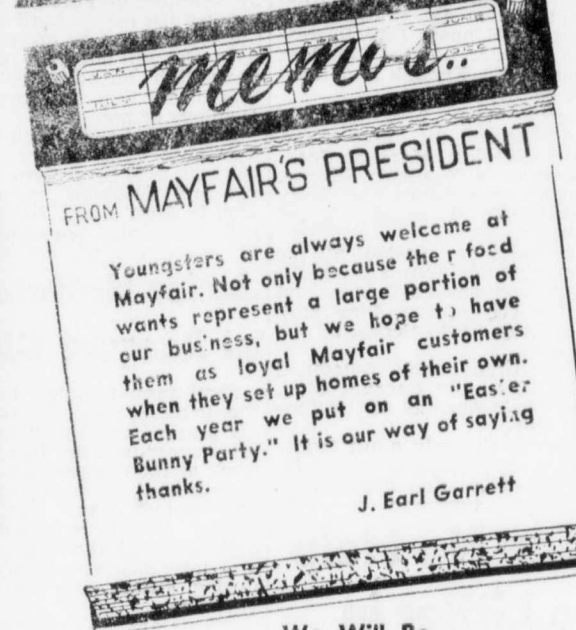

Translated, this means, "I hold about dis here big anniversary at Ramon Drug next week, an' I wanna be foist in line!"

(Seriously, why don't YOU hop into your spaceship and blast off to our gala 7th Anniversary Celebration April 18 to 23. No matter how many light years away you are, you'll find the trip well worth your taking.)

DEAD HEAT FINISH FOR OUT-OF-WORLD EVENT

Three twosomes tied for top honors in the first annual "Out of this World" tournament at Thunderbird Country Club, each scoring 185 for the 54 holes of best ball full handicap play.

Second Annual Arabian Horse Show Success

Second annual Arabian Horse show, sponsored by Desert Riders and the Desert Arabian Horse association, was termed a success despite the fact that attendance was held down by the many other events scheduled here last weekend and gusts from the general southland windstorm.

Adjudged Champion Arabian mare was Joe Guzzelle's "Haida" and Champion Arabian stallion honors went to Mrs. Edna Williamson's "Nuseyn."

Other winners in the show were:

El Ghazaam, owned by Williams Arabian stables, informal driving class; Farnur, owned by Donald Jones of Porterville, trail horses; Raskiha, owned by Nickie Tolman of Downey, trailer race; Karonek, owned by Mr. and Mrs. W. E. Trimmell of Westminster, cutting horses; Sedan, owned by Peggy Gibson, of Palm Desert, western pleasure horses, purebred.

Saturday's showing at the Polo Grounds was followed by a dinner at El Mirador for exhibitors with 200 attending.

Kiwanians Hear Talk by Visitor

Alex Benz, past president of the Appleton, Wisconsin Kiwanis club was the speaker at Tuesday's meeting of the Palm Springs club.

His subject was "The Golden Rule in Business."

Benz is a winter resident of the Village.

Tuesday evening directors of Kiwanis club met at the Ranch club to hear committee reports.

Winners were: George Holstein and William Holstein; Erroll Murphy and William Colm; Fred Whitman and Bob Roos.

Five teams tied for fourth place honors with 186. They were: Bart Prom-Dan Compton, James Garibaldi-Wynn Fuller, John Curci-Ralph Samaha, Desi Arnaz-Ken Morgan, Harry Weimar-Harry Whitaker.

Other leaders were: 187 — Malcolm Cravens - Jim Crafts; 188 — Lou Hagaman-Burl Watson, George Cameron-Jim Cullum, Harrison Rhoads-Jack Hyland, Bill Tomberlin-Jack Ross; 189 — W. A. Monerief, Sr. W. A. Monerief, Jr., Harwood Clark-Bruce McCormick.

Winners of individual awards for daily play of 18 holes were: Thursday — Malcolm Cravens-Jim Crafts, 58, Allan Dale-Andrew Litschi 59, George Holstein-William Holstein 59, Harry Weimar-Harry Whitaker 59.

Friday — Fred Whitman-Bob Roos 60, Bill Tomberlin-Jack Ross 60, Erroll Murphy-William Colm 60.

Saturday — Desi Arnaz-Ken Morgan 60, George Cameron-Jim Cullum 61, Harrison Rhoads-Jack Hyland 61.

John Dawson and Dr. Bud Taylor, State Amateur champion, ended play with a 195. The tournament attracted an entry list of 126 teams, composed of Thunderbird members and their guests from throughout the country.

Prizes were awarded at a Victory Dinner-Dance Saturday evening at the club.

Sales Tax Permits Facing Revocation

Public hearings on revocation of sales tax permits for two businesses were set by city council Tuesday for 8:15 p.m., Tuesday, April 19. The two firms are: Tom Curtis, Men's Wear, and Ruth Ann Dolan, Sun Ray Beauty Parlor.

City Treasurer Shelby Langford requested the action, explaining that the two businesses were delinquent in filing sales tax returns.

(Anderson Photo)

ONE-ARMED left-handed golfer Harry Weimar, right, and his partner, Harry Whitaker, were among five teams who tied for fourth place in Thunderbird Country Club's Out of this World 54-hole tournament last week. Above, Weimar receives his prize from Desi Arnaz, master of ceremonies, who with Ken Morgan also tied for fourth.

Hans Ohrt Plans 13th Bike Marathon to Village May 31

Hans Ohrt of Beverly Hills who has just passed his 60th birthday, has completed plans for his 13th annual 120-mile bicycle ride from his home in Beverly Hills to the Desert Inn in Palm Springs on May 31.

Forty years ago Ohrt represented the Olympic Club of his native San Francisco in winning the National amateur bicycle racing title in New York. At the end of successful racing career he continued with cycling as a hobby.

His "hobby" rides to Palm Springs started in war time when gasoline was rationed and it included seven rides on a tandem (bicycle-built-for-two) with his wife, Ida, who now follows in a station wagon.

Mrs. Ohrt ended her rides several years ago when she had the experience of encountering a desert sand storm that unseated the tandem duo at Whitewater on a return trip. She lost five pounds in weight on that trip while Ohrt lost ten pounds on one of his solo trips.

The trip last year was made by Ohrt in nine hours and 49 minutes with five brief stops enroute. Ohrt praises the courtesy shown by motorists during all of the past trips. Several times he has had to insist with thanks that he did not want a lift by friendly motorists.

The Ohrts were visitors in Palm Springs last week and he covered a number of conditioning rides in the La Quinta-Indio area.

Mr. and Mrs. Ohrt have traveled overseas for the past seven years to be present at the World

Thunderbird to be Scene of 2nd Senior Tourney

Second annual Senior Golf tournament sponsored by the Trans-Mississippi Golf Association will be held Monday through Saturday, April 11 to 16, at Thunderbird Country Club.

Any man 50 years of age or over, residing west of the Mississippi, is eligible to compete.

Monday and Tuesday are warm-up days; Wednesday and Thursday a four-ball best-ball championship, and Friday and Saturday are the days for the medal play of 18 holes daily for individual entrants. The latter two days are for the Senior Championship in low gross and low net, as well as for the titlist in each age group.

Jack Allgaier, Omaha, Nebraska, vice president of Trans-Mississippi and Thunderbird member, is tournament general chairman. Other officers are: Robert W. Goldwater, Phoenix, president; Robert Willits, Kansas City, Missouri, and N. C. Morris, Denver, Colorado, vice presidents.

To denote Thunderbird as the site of the Senior tournament, a bronze plaque was placed last year at the first tee, and names of tournament winners are engraved on the plaque.

John Dawson of Thunderbird is defending champion. He also joined Phil Atkins, Rodney DeLange and William McKannay in winning the four-ball tournament.

Among social events planned are a dinner Tuesday evening, and a stag chuckwagon breakfast poolside Thursday, both at Thunderbird.

Sales Tax Deposit Refunds Authorized

Refunds of sales tax security deposits authorized by city council Tuesday evening were: Pete G. Carrasco, The Hut, \$150; Charles C. and Cecil G. Young, Young's Leather Shop, \$31.28; George Beebe, Beth, Inc., \$100. L. H. Levison, Seven Seas Shop, \$30.14; C. McGowan and H. W. Rounkles, Mac and Hobby's Service, \$50; Clyde Beatty Circus, \$17.68, and William R. Sprenger, Gayle's Fine Foods, \$39.21.

Plans for the annual Fireworks show sponsored by the organization on July 4 will be discussed.

Krysiak Seeded No. 1 in Senior Tennis Tourney

John Krysiak has been seeded No. 1 in the Men's Singles event of the Palm Springs City Recreation Senior Tennis tournament, following drawing for pairings Monday, City Recreation director Howard Haddock announces. Krysiak is defending champion.

Seeded No. 2 is Maurice Smith, titlist for three years. Men's Singles: Marjorie Jackson first in Women's Singles, and Maurice Smith and Betty Stumpf No. 1 in the Mixed Doubles.

Pairings are posted at the Racquet Club, Tennis Club, Elliott's Sportsmen's Center, and at the city offices. Play may be on any court selected by the players.

Semi-finals are scheduled April 23 at the Racquet Club, and finals April 24 at the Tennis Club.

This is the only adult tournament of the year sponsored by the city recreation department.

Ace No Help to Littler in Azalea Play

Gene Littler of Thunderbird did not fare as well in the Azalea tournament at Wilmington, N. C., and finished with a card of 278, eight strokes off the winning 270 posted by Billy Maxwell of Texas.

Littler earned \$645 in the tournament.

He did achieve one ambition, however. He shot a hole-in-one in the first round, his first ace in tournament competition.

Junior Chamber to Meet Tonight

General membership meeting of Palm Springs Junior Chamber of Commerce is scheduled tonight at World Wars Memorial Hall at 8:15 o'clock.

At 7 p.m. board of directors of the Jaycee will meet at the same place.

Plans for the annual Fireworks show sponsored by the organization on July 4 will be discussed.

Boys Urged to Get Into Marble Event

Charles M. LaFrantz, director of Boys club, today urged all eligible youngsters to file their entry blanks as soon as possible for the event scheduled later this month and sponsored by Veterans of Foreign Wars.

Entry list closes April 20 and the tournament is open to all boys who will not have reached their 15th birthday by April 15, whether they are Boys' club members or not.

Entry blanks are available at the Boys' club or prospective entrants may send their name, age and telephone number, if any, to Boys' Club, Post Office Box 1237, Palm Springs.

Junior Netters at Racquet Club

Semi-annual match between the Palm Springs Junior Tennis players and the Palm Desert Juniors will be played this week at the Racquet Club.

This is the fourth time the two squads have met, with Palm Desert winning two matches and Palm Springs one. The inter-city events are held during Easter and Christmas vacations.

Events are boys' singles and doubles, girls' singles and doubles.

Among the players who will represent Palm Springs are Gretchen Gerhart, Fred Grimm, Gary Waters, Ann Gerhart, Frank Ripley, Gary Hammond, Dick Blackstone, Dawson Hayward.

County Employees to Get Pay Raise

All of the county's 1300 employees, except department heads, will be given a \$15 per month raise, supervisors said at their meeting Monday. The new scale will go into effect July 1.

The salary increase will cost the county about \$310,000 during the fiscal year which starts July 1.

Palm Springs Area Building Tops Million

March is Active Month in City, Adjacent District

Unincorporated areas in the Palm Springs Unified School district topped the county in new construction in March, Charles Bixel, county building inspector, said Saturday.

In the area from Desert Hot Springs to Rancho Mirage, including Cathedral City where building is booming, permits issued by the county office in March totalled \$346,235.

Coupled with an active month within the city when \$796,750 in new construction was begun, value of new building in March in the Palm Springs area was \$1,142,985.

75 District Scouts Rally Here at Annual Camporee

Seventy five Boy Scouts comprising 13 patrols from troops in Palm Springs, Cathedral City and Desert Hot Springs, joined in the annual Palm Springs district Boy Scout Camporee Saturday and Sunday at the McManus lot on Ramon road between Indian avenue and Palm Canyon drive.

The Camporee was opened with a parade of Scouts from Frances Stevens school to the camp grounds where tents were pitched for the overnight event.

Seven patrols were awarded A ribbons and will compete in the county Council Camporee at Idyllwild in May. Four received B ribbons and two, C ribbons.

At the campfire Saturday evening, each patrol put on a skit and all joined in community singing.

It was announced that Leslie Pratt, Explorer Scout, Troop 118 selected as the most outstanding Scout this year, was awarded the trip to the World Jamboree to be held in August in Canada.

Other announcements were: Marvin Gallerani, Explorer Scout, Troop 81, and Garry

Soule, Explorer Scout, Troop 77, were awarded trips to the Philmont Scout Ranch in New Mexico.

Garry Lampman, Explorer, Troop 59, was awarded the district scholarship as outstanding Scout graduating from Palm Springs high school this year.

Explorer Scouts David Self, David Burke, Eugene Theriault, Jr., Jack Keene and Mike Woody will be sent by the district to take Junior Leadership training courses at Philmont Scout Ranch.

North Palm Canyon Drive Group Forms Association to Speed Improvements

Property owners in the North Palm Canyon drive area between Stevens road on the south and Alvarado street on the north, met last week to form the Palm Springs Miracle Mile association and map a program for the improvement of that portion of the thoroughfare and to stimulate interest in property there.

The meeting was called by Albert White, owner of property at the corner of the Drive and Racquet club road.

I. H. HARRIS was elected president; Albert White, vice-president; Mrs. Fannie Levin,

second vice-president; Robert Ransom, secretary and A. T. Kehl, treasurer.

One of the main objectives of the association is the beautification of Palm Canyon drive between Stevens road and Alvarado street. It was pointed out that 90 per cent of the vehicular traffic entering the city traverses that section.

Fifteen of the larger property owners in the area were present and prepared plans to ask others in the area to join in the movement.

IT WAS DECIDED to hold a dinner meeting April 14 when

further plans will be discussed. Place for the meeting will be announced later.

At this second meeting committees will be appointed and the needs of the area discussed. On the program are planting of palm trees, zoning signs, and interesting service industries such as a super-market, drug store, medical clinic and restaurant, to locate there.

Capt. Johnson on the Job Again

Imagine, for instance, the marvelous rest and relaxation it will bring him.

He'll just sit there with his hands resting gently on the wheel... cradled by those deep, soft cushions... and with the soft sound of the wind for a lullaby.

And insofar as his driving is concerned—well, what could be more restful! The car's every movement will be regulated by the merest touch of toe and hand. Steering, for instance, will be little more than a gesture... and braking will require only the gentlest pressure on the pedal.

And what a wonderful time it will be to think

Ah, Spring! Such a whirl of new Spring foods coming into the stores...and amongst them that wonderful new Carnation Mocha Whirl Ice Cream! So much better than ordinary "coffee ice cream" because this Carnation treat is made with real fresh-made coffee, brewed extra-strength and combined with satiny de luxe vanilla ice cream. Then, a very special fudge sauce, made with costly Dutch Process cocoa, is swirled all through it. It is so good. Try it.

YOU EAT
YOUR ICE CREAM!

No one has to be ordered to eat delicious Carnation Ice Creams—yet they are good for us! With milk and cream's fine values of protein and calcium and vitamin A—these treats are just as wholesome as they are delicious!

Prepare and bake two 8" yellow cake layers from your favorite cake mix. Allow to cool 1 hour, then top with...

Fresh Lemon Icing
(for two 8" cake layers)
1 1/2 cups sugar
1/2 teaspoon salt
1/4 teaspoon cream of tartar
1 teaspoon grated lemon rind
3 tablespoons lemon juice
2 tablespoons water
2 egg whites

Place all ingredients in top of double boiler. Beat constantly over hot water with rotary beater (about 6-8 minutes) until icing will hold in peaks. Ice between, on sides and top of cooled cake layers. Decorate with grated coconut, if desired.

SPRING PEAS SAVORY
Chop tender new garden onions and celery and simmer gently in butter until celery is tender. Pour over cooked, well-drained new peas.

HUSBANDS ARE HEROES
(sometimes)
Your wife will tell you ripping out seams is tedious, tiresome and time-consuming. You will be a hero if you make her a quick and handy thread cutter from a dime store thimble. Cut a small triangle in the end, bend it out (see drawing) and file the edges sharp.

Glasses Stick Together?
No, no, don't yank at them! Fill top glass with cold water, set bottom glass in warm water—and they'll usually slip apart easily.

CRUNCHY ICE CREAM TOPPING
Combine 1/4 cup chocolate wafer crumbs and 2 tablespoons chopped pecans or walnuts as a topping to make that Carnation Mocha Whirl Ice Cream even "delightful"!

Opposition to Anti-Tram Measure Mounts Rapidly

By FRED C. WEIGEL

According to information gathered in Los Angeles and reports from Sacramento, Assembly Bill 3030 which would abolish the Mt. San Jacinto Winter Park Authority and, as a consequence, end plans for the Tramway, will face tough sledding.

Opposition to the bill, which is now in committee, is mounting steadily with many prominent civic and state organizations aligned to defeat it.

THE BILL, introduced at the request of the Sierra club, by Assemblyman H. Allen Smith of Los Angeles, would repeal the act which sets up the six-man Winter Park Authority and directs the state park commission to develop the area in the San Jacinto mountains, as a natural wilderness area.

The bill was introduced after several meetings at Idyllwild where opinion was divided sharply with many favoring construction of the Tramway.

LEADING IN OPPOSITION to AB 3030 are many large organizations as well as individuals who are of the belief that construction of the Tramway would be of benefit to all of southern California and to the state as a whole.

Among these organizations are the California state chamber of commerce, the All Year

club of Southern California, the California Hotel Association, state and national labor organizations, and many other civic groups which have adopted resolutions supporting the Authority.

THE REPEAL of the act creating the Authority is sponsored by the Sierra club which has in the past sought to block the Tramway without success. Contention of the Sierra club is that the Tramway would open a natural wilderness area to the public, thus ending its primitive character.

Tramway proponents counter this with the contention that the wilderness would not be destroyed, under restrictions placed on the Authority but that on the other hand, the Tramway would enable many people to enjoy the area who cannot now do so.

Vacation Days for 2,000 Here

More than 2,000 Palm Springs Unified school district pupils were on the loose today, enjoying the annual Easter vacation. The holiday started at the close of school Tuesday and will end when classes are resumed next Monday morning. Even the administrative staff gets a vacation. The school office in the Frances S. Stevens building, will be closed tomorrow.

GUESTS IN VILLAGE
Judge and Mrs. A. D. Mitchell of Ontario, and Mrs. Gertrude Luber of Milwaukee, Wisconsin, were weekend guests at the R. F. Graettinger home. The Mitchells left Sunday night but Mrs. Luber will spend the week here.

MCGREW ART EXHIBIT

The monthly Tea at Addition's Galleries Sunday featured Palm Springs artist, Brownell McGrew, whose exhibit of paintings will continue through April. McGrew is equally at home in landscape or portraiture.

McGrew was introduced to the large audience by Mrs. Lilian Woods, of Desert Hot Springs, one of his pupils. He gave a short talk on himself, and his beginnings in art.

Hostesses at the tea table were: Viola Dinsmore and Marge Anderson. Nova Briggs came in from Los Angeles especially to act as circulating hostess. Rae Taylor also acted as hostess.

RAMBLINGS AROUND TOWN

The Joe Lukomski home is entertaining for Easter week grandchildren Georgia and Patricia Johnson, of Van Nuys, who are having a desert holiday during school vacation. They are the children of the Lukomski's daughter and her husband, the Harry F. Johnsons.

Other guests at the Lukomski home were Mr. and Mrs. Max Ellison of Long Beach, and Mr. and Mrs. Rex Goodall of Los Angeles. Mrs. Ellison is past president of the American Legion Auxiliary. Mr. Goodall is farm appraiser for the State Board of Equalization.

Vi Dinsmore's son-in-law, Jack Donahue, has been transferred from his position with Columbia Broadcasting Company in San Francisco, to the Chicago offices. He is already in Chicago, but daughter Harolde and the children Nancy and Robert will visit Mrs. Dinsmore for the entire month of April.

Mr. and Mrs. J. Frank Park and son, Dean Park, Mrs. Max Cole, Mr. and Mrs. Melvin Caffrey, Mr. and Mrs. Harvey Miller, and Mrs. Kirby Reed were guests Sunday of Bett and John Addington. All are from the Silver Lake area of Los Angeles, except the Millers, who hail from La Canada.

Joe Lukomski has recovered from his recent automobile accident, and though still requiring medical attention, has been able to visit the desert the past two weekends.

Movie actress Marjorie Main visited in the community last week.

Pete D'Paolo, noted race driver, is a visitor in town, staying at the Rudy Ludwig's "Sahara." D'Paolo lives in Los Angeles.

Other guests at the Sahara are: Dr. Sarah Hathersley and her husband and son; Harry

Lang, from Minneapolis; Mr. and Mrs. Lucado from Santa Ana.

The Charles Meadows entertained friends from the Bay Area for a few days last week. Mr. and Mrs. Marion ("Ginger") Ellis and their daughter Mary Margaret, came from Berkeley, and were joined here by Mrs. Ellis' son, Ensign Ronald Edie, USN, and his wife, Edie, a former Stanford University football star, is now stationed in San Diego.

Ball of Fire

Several Villagers Report Bright Object

A ball of fire over the mountains, believed to be a meteorite, caused numerous calls to the Palm Springs Police Station Sunday evening.

First report came from Elyse Waters, 421 Canyon Place, about 7:30 p.m.

She told of seeing a ball of fire which disintegrated in the air before it reached the mountains.

No other low-priced car even comes close

to matching these important Chevrolet advantages...

If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motorama Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.

The beauty's built in—not bolted on!
And that makes a big difference—not only in how your car looks today, but in how it will look tomorrow, too. Chevrolet's good looks spring from fine, clean design. The beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

The Body's by Fisher!
No other low-priced car has a Body by Fisher—but many of the high-priced cars do. That fact alone tells you there must be something

extra special about the style, quality and construction of Body by Fisher. And there is! You can see it, feel it and even hear it when you slam the door.

Today's most modern engines!
That goes for Chevrolet's new V8 and two new sixes as well. For example, all Chevrolet engines bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. This means quicker cold weather starting and a greater electrical reserve. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry, and develops the highest power per pound of any V8 in the low-price field. It takes valve-in-head leadership like Chevrolet's to bring you engines like these!

A drive to suit your driving!
You can take your choice of three different drives—and every one's as modern as this minute. There's silky, peppery Powerglide

(even better this year!), new Overdrive (both extra-cost options), and a new Synchro-Mesh transmission that's as smooth as they come.

All the power helpers you want!
Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish. And you can even have air conditioning if you like. These things are extra-cost options, of course, but they more than repay you with extra pleasure.

Fun is "standard equipment!"
You find that out the first time you take the wheel of a new Chevrolet. Here, you discover, is a car that takes the curves like it's on rails, that steers like it's reading your mind. It seems simply to ignore bumps—and when you stop suddenly, there's no excessive lurching or diving, either. There has never been such a difference in low-priced cars as there is today—or so many good reasons why you should drive a new Chevrolet. Come in and take the key.

CHEVROLET SALES LEADERSHIP IS A VICTORY IN VALUE FOR YOU!

Isn't it logical that, since Chevrolet leads in sales year after year: Chevrolet must put more into a car than its competitors—more quality... more craftsmanship... more style... more things to make your driving easier and safer and more fun. You have to do that to be the leader and stay the leader like Chevrolet! Because Chevrolet builds the most cars—and can build them better to sell for less—Chevrolet sales leadership is a victory in value for you!

19 STRAIGHT YEARS OF SALES LEADERSHIP FOR CHEVROLET

Over Ten Million Chevrolet owners—Two million more than any other car!

CHAMBER ELECTS

Cathedral City Chamber of Commerce directors chosen at last week's annual election were Claude Cobb, Emil Green, Herbert Henry, Bertin Lamb, L. C. Lewis, Walter Melrose, Orvil Zappe, George Zentmyer. The other members of the board whose terms run until next year are Edward Biles, Paul Clark, Robert Cordes, Mike

Gedon, Leslie Kelley, George Miller, Warner Moon.

The board will meet this week to choose officers for the ensuing year. President Robert Sherrill, outgoing president, thanked his board of directors for their accomplishments during the year. Secretary Warner Moon reported on Town Hall activities and on the great number of inquiries from out of town handled by his office. Treasurer Mrs. Leslie Kelley gave a detailed report of the Chamber finances, and was especially complimented by President Sherrill for her year's work.

Paul Clark, publicity chairman, announced that a new illustrated folder in three colors would be off the press some time this month. Clark also praised the work of President Sherrill in pushing to fruition the Broadway Island tree project, pointing out that this dressing up of main street is one of the best possible advertisements to tourists.

HILLERY REUNION

A long anticipated reunion of three brothers is taking place at the W. R. (Bill) Hillery home with the arrival of Rev. and Mrs. Horace E. Hillery and Albert R. "Tad" Hillery. Rev. Hillery is a retired Presbyterian minister and with Mrs. Hillery makes his home in Patterson, New York. Since his retirement from the pulpit he has been an appointive employee on the Ways and Means Committee in the New York Legislature. "Tad" Hillery makes his home in Tanakkee Hot Springs, Alaska, about 80 miles from Juneau. He is retired from the White Pass and Yukon Railroad.

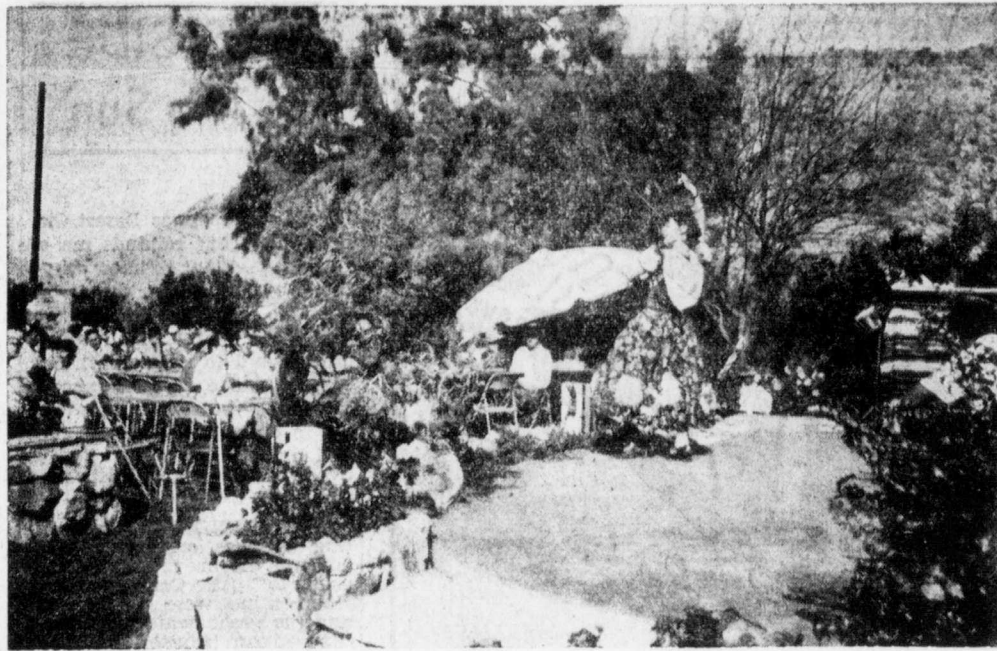

While Bill Hillery has seen both brothers in recent years, it is the first time that the brothers Horace and "Tad" have seen each other in 49 years, so the reunion has a special meaning.

RED CROSS DRIVE ENDS

The local Red Cross Drive has drawn to a successful conclusion, announced Mrs. Thomas Powell, chairman for this area. "The cooperation and enthusiasm of the workers and donors this year has been outstanding. There have been so many willing helpers that the entire area was covered with little hardships on a few."

Mrs. Powell extends her appreciation to the following for making the drive run smoothly and effectively: In Cathedral City area, Mmes. H. E. Peterson, V. Vernon Krings, Wm. Schwartz, John Danchak, Francis L. Wood, A. L. Blackwell, Mrs. Clara Irvine, Mrs. Agnes Gould and Mrs. Agnes Wilbor. In the Rancho Mirage area the workers were Mmes. James Ramsey, Lisle Harper and Mrs. Eloise Tillman. In the Charlesworth Tract, Mrs. H. S. Winkler, acting as captain, was assisted by Mmes. A. C. Dupuis, P. B. Curtis, Clate Haskins and C. P. Van Doren. The Horizon and Tramview Trailer Parks joined with the Deluxe Trailer Park in contributions for this area. Approximately \$850 has been raised, Mrs. Powell said.

Boy Scouts from Cathedral City took an active part in the annual Palm Springs District Camporee Saturday and Sunday in Palm Springs. They had three patrols entered, the Beaver Patrol led by Mike Woody, the Space Patrol led by Bobby Gordon and the Explorers led by Marvin Gallerani. All three patrols received an "outstanding" award which entitles them to participate in the County

Petitions Seeking Charter Election Said Succeeding

With 12 petitions seeking a charter election, each containing 100 signatures, returned, and almost 500 still in circulation and now being signed, Howard Barrett, secretary of the county charter commission expressed optimism that the drive will succeed.

Goal of the commission is 12,000 signatures on the petitions, 2,000 more than necessary to force supervisors to call an election to name 15 freeholders who will draw up a county charter. The petitions were placed in circulation on March 15 shortly after supervisors refused to call the election. County Associated Chambers of Commerce appointed the members of the commission. Mayor Florian H. Boyd of Palm Springs is a member. Others from this area are Paul Clark of Cathedral City and Herb Ecclestone of Desert Hot Springs.

Sunrise Service Sunday at Shadow Mountain Club

Special plans have been announced for Easter Sunday at Shadow Mountain club in Palm Desert according to Lee Odle, general manager.

The day will commence with an outdoor sunrise service at 5:40 a.m. conducted by Dr. P. Martin Baker, rector of the Palm Desert Community Church.

The service will be followed by breakfast served in the club dining room at 6:30 a.m. Desert children will be attracted to the club grounds for

the traditional Easter egg hunt, preceded at 3 p.m. by a puppet show put on by Bob Baker of Hollywood. There will also be a songfest for the children, conducted by Lou Kuehner, club recreation director, and competitive games.

WARNING SIGNS LOST

Loss of two large "men working" signs and two red flags was reported to police Saturday morning by William Wyss, Tramview.

BLESSED ARE THE PEACEMAKERS — While the nation prepares for war, millions pray for peace. Americans almost to a man agree that we must prepare for the worst. All the more reason why we should work just as hard for peace. Efforts to prevent war should not — and need not — in any way deter our vast program of defense. The Communists would like nothing better than for the people of the free world to depend entirely upon their religious faith for the protection of their freedom. They believe it might lull us into a false sense of security. But herein the Communists miscalculate the effect of faith upon the character of free men.

Almost every peace-loving American believes this nation must build a defensive power that is capable of meeting any threat. Indeed, they believe it is as necessary as our local police force. They do not believe that we should depend upon our military strength alone to keep the peace. We must work with both tools.

The Board of World Peace of the Methodist Church has issued a bulletin for the guidance of members of that faith on what they can do to further the cause of world peace. Here are some of the things they say everyone can do:

Write for peace. Write to your Senators and Congressmen telling them to work for peace. Your letters will be read.

Telephone for peace. Call your friends and neighbors and tell them about the things you are doing and they can do in support of world peace.

Support the United Nations. Learn what this organization is doing aside from council tables to assist people throughout the free world, such as the Children's Fund which is helping save millions of children from disease, poverty, illiteracy and death.

Support peace in your church and community. Assist the local church peace committee and cooperate with local programs for the furtherance of world peace.

Pray for peace. Pray that God will foil efforts which would prevent the achievement of peace — pray that God will empower you to seek peace and pursue it.

President Eisenhower struck a popular note last week when he said that talk of war served no useful purpose. Prediction of destruction is just as useless. Writing in the Saturday Review, Stuart Chase sees in atomic weapons the power to end wars as well as the threat to end civilization.

He says:

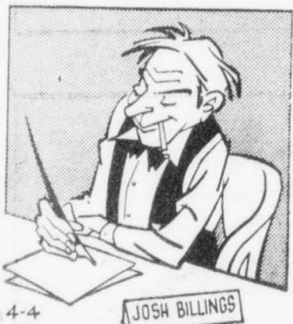

"The balance sheet of the atom begins with a colossal liability — the potential end of civilization altogether. It is offset, however, by an almost equally colossal asset — the potential end of war. Atomic energy threatens on the one hand to terminate an interesting biological experiment among the anthropoids; on the other, as long as the trigger is not pressed it can frighten nations into keeping peace."

Much good can be accomplished in working for peace in an intelligent, common sense way. We must not let our longing for peace take us too far down the road of a co-existence policy toward the Russians. We would be travelling with a dangerous companion. We can, however, bend every effort to prevent the outbreak of war. We should take advantage of every week and every month and every year that we are given the opportunity to work for world peace while keeping the aggressors in check.

JOSH BILLINGS (real name, Henry Wheeler Shaw) was one of the most popular American humorists a hundred years ago. He wowed 'em with his homely philosophy, deliberately misspelled. Josh began his career as an auctioneer in Poughkeepsie, but made the big time with gems like the following:

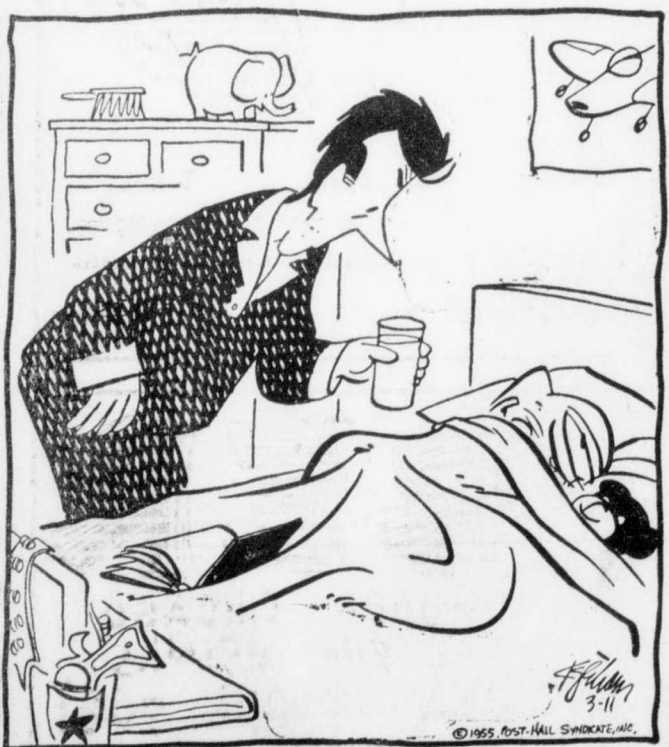

Konsider a postage stamp: it sticks tew the job til the goods is delivered. It's better to know nothing than to know what ain't so.

The wheel that squeaks loudest is the one that gets the grease.

Getting Tired

Recently in Today's Health, published by the American Medical Association, the following was brought out about fatigue. It is, most experts agree, a protective reaction against stress, or a warning that the effort and strains the body and mind are putting forth, are approaching a dangerous level. Nature puts up the red danger light whether our weariness is caused by physical excess, mental fatigue or emotional frustration. These may produce sweating, heart palpitation, shortness of breath and mental lassitude as physical exhaustion manifests itself. When physical effort makes us tired it is noted that small reserves of oxygen and of blood sugar are found. As these substances are depleted on exertion, muscles lose their vigor, starve and stall. When one is at rest we require only about eight ounces of oxygen a minute. With the onset of extreme physical work, oxygen consumption steps up its requirement as high as six and a half gallons a minute. Inasmuch as the lungs can only increase the oxygen supply to a gallon a minute, the difference in the amount comes in that which is stored up in the blood combined in the blood cell as oxyhemoglobin. This totals only four to five gallons which means we become limited within several minutes of extreme exercise in our oxygen consumption. We then begin to feel a pain or stitch in the region of the heart, muscles begin to ache, and lungs beg painfully for a chance to catch up with oxygen want. The central nervous system, especially the brain, is very sensitive to a lack of sugar and oxygen. With the using up of the reserves, the brain slows down the body by limiting and cutting off nerve impulses which transmit messages for muscular activity.

Mental work makes us tired because although the brain comprises only two percent of the weight of the body it requires fourteen percent of the total blood flow and consumes three percent of our entire oxygen intake. Its sugar consumption is also large. Brain cells are very sensitive to deprivation of oxygen and sugar. When the circulation of the body has ceased through a stoppage of the heart for a period of eight minutes or longer, deterioration of brain cell structure occurs. This results in failure of brain function even though circulation of blood may be restored. Life and death hang very delicately in the balance and the brain must protect itself against even the slightest decrease in oxygen or sugar. It flashes on the danger signal of physical fatigue to slow down the work of other organs so that this essential fuel can be directed to the endangered brain. It thus indicates through brain fag and the physical feeling of tiredness that we must slow down.

Emotions affect fatigue through the glands of internal secretion particularly the adrenals. Rage, fear, intense excitement send a charge of adrenalin from these glands which constrict the blood vessels, increases the blood pressure, forces the blood through the body with greater rapidity and thus brings them extra oxygen. Sugar is freed from its storehouse in liver and muscles and after the interval of excitement has quieted down the feeling of fatigue has been found to develop. It is thus that constant nagging or irritabilities produced by a spouse, a neighbor, or one's associates

Congressional Report

By Representative John Phillips

Someone gave me a little clip, several years ago, which looks like a big, silver clothespin. I keep it for notes I might use in these weekly letters. Here is one which says, COUE. That means that I intended sometime to compare our foreign policy of the past few years with something which older readers of this weekly letter will recall; the worldwide sweep of the idea that we could cure ourselves by repeating the magic phrase, "Day by day, in every way, I'm getting better and better."

So this morning I picked up the local paper and there was Joseph Alsop's column, referring to "Coueism" in our far-eastern policy. I'll drop that slip into the waste basket. The other slip says "postal pay bill," and means that I'd like again to write my friends in the postal service and ask them if they really agree with their own leadership on this issue. Already they've lost more than they will gain if the arbitrary demands of their leadership should prevail, and the general opinion here is that they will not. Who wins, and who loses? That subject however has only limited interest and I write only one letter a week.

SUPPOSE I TAKE the slip marked "Yalta." If any example is needed to prove to you that practically everything for the next eighteen months will be used by the present majority party and by the liberal papers to create a political issue, this ought to do it. Neither party has been free from criticism on this issue, but the liberal press is strictly left-wing in its origin. I was sorry to see reputable papers pick it up.

What are the facts? For something over 90 years, we have been printing the papers and the proceedings of all such conferences within a few years after they were ended. These appear in bound volumes, and each Congressman gets at least one set. Mine had accumulated to the point that a few weeks ago, I bundled them all into a mail bag and sent them to the UCR library, at Riverside, as Mr. Coman can confirm. One of the volumes had just come out, but we were years behind.

The school teachers, researchers and historians were complaining, increasingly. Nine years ago, please note that, the State Department came to the committee on Appropriations and asked for the necessary money to print the Yalta papers, and they got the authority from us. The subsequent delay was due partly because of the unsettled condition of various spots in the world. Now they are published, just as they should have been, long ago, and the effort to create an issue is the result. It is not very successful!

Actually the Republicans ought to get a clean bill of health on this one; the papers were worth much more to us, politically, if they had not been published, and our leaders knew that. They have been carefully edited for those informal comments and wisecracks.

may cause chronic fatigue in their recurrences. Very frequently, midway between meals an intense fatigue may develop which is due to a dropping of the blood sugar below normal. This can be overcome by the taking of snacks, like a coffee break or a piece of glucose hard candy.

THIS SIDE of The Sun

Next week comes Desert Circus time. That reminds me of an orange. Want to know why? Because they say there is no word to rhyme with orange. And I can't think of an appropriate word to rhyme with circus. Of course, there are raucous or caucous—but what have they got to do with a circus as nice and refined as ours? So for two weeks in a row, there's no rhyme to go.

THE YOUNGSTERS are getting an education that's entirely different from the kind they used to get. Can remember when mine were very young and the great achievement and competition between the boys was to see who first could identify the different kinds of automobiles and the model, as we went out on a Sunday ride. Then, later, it was identifying the various types of airplanes which zoomed across the sky. But now—overheard one fond father with his three-year-old daughter the other day. He would whistle a bar or two from a commercial and the child would pipe up—and correctly, too—"razors or 'Eastside' or 'Dial.' That's what TV is doing for our homes."

WHICH ALL REMINDS me of a yarn in the Louisville Courier-Journal I read the other day. A minister was lecturing his Sunday school class about the virtue of cleanliness and that they must keep their minds as clean as their bodies. To emphasize the point he was about to make, he held up a bar of soap. "Oh, oh," said one little listener, "here comes the commercial." The other day I commented on the fact that I was familiar with those green engravings put out by the government which carry the pictures of George Washington and Abraham Lincoln. Can anyone remember anything bigger, and so a reader asked me Monday if I had ever seen a picture of Woodrow Wilson on a bit of currency. When I replied in the negative, he smart-alecky answered: "And you never will! Woodrow is on any \$100,000 bill and they are not in circulation." That fact is interesting only in that it gives one a sense of frustrating covetousness.

THE SEATTLE RAINIERS have been training in Palm Springs for five years now. And only twice in all that time has a baseball game had to be called because of inclement weather. The second time was last Saturday when the wind kicked up a little dust. Can anyone remember anything bigger, and so a reader asked me Monday if I had ever seen a picture of Woodrow Wilson on a bit of currency. When I replied in the negative, he smart-alecky answered: "And you never will! Woodrow is on any \$100,000 bill and they are not in circulation." That fact is interesting only in that it gives one a sense of frustrating covetousness.

APRIL IS GENERALLY rated as a mild month. But in the history of the United States there are a lot of violent items connected with the month. Outside of World War II, all of our big wars started in April. Paul Revere took off on his ride in April. The 'shot that was heard around the world' was fired at Lexington in April. So if we can get by the next 23 days without anything happening, we can all stay through May, breathing easier. . . . Came a gripe via the mails this week concerning a column appearing here periodically. "Why don't you stop this amateur writing?" Yep, that's the way it was spelled: a-m-e-t-e-u-r.

UNDERSTAND two new inventions are under study and investigation, having to do with over-indulgence in strong drink. One is a built-in drunkometer for automobiles, according to the Detroit Free Press. If the driver has had too much to manipulate his car safely enough to negotiate traffic, the automobile automatically refuses to start. Another, according to the same source of information, is a bar stool that sets its occupant on his feet when he's had enough. A third could be a device which catapults the plastered one out of the door. And I also understand that telephone companies are working on a device which filters out unwanted noises so that the housewife can gossip to her heart's content while the baby is crying, or while running a vacuum or clattering dishes in the sink. The next thing the phone companies may think about is how to solve that busy signal you always get when in a hurry.

CAME A SUGGESTION the other day from a patron. His idea was to make a great public hullabaloo about a coming event in the public prints and then privately send out notices that it is on a different day or days. His idea is that when the weatherman sees the public notice that an event is being held on a Sunday and Sunday, it'll send bad weather those days. But he will be fooled. Because, according to the private notices, the event is really on Monday and Tuesday and it will be too late to send wind or rain or both. The pattern has been that it is beautiful here weeks on end until a big event when the gang's all here—and then it isn't. But I'm against the idea. It would fool people as well as the weatherman and besides, in Palm Springs, unusual weather is really unusual.

THEN THERE is that secretary who said she loved her job. "It's just the work I don't like," she explained.

GOLFERS LUNCHEON

Shadow Mountain club was the setting for a unique luncheon presented by Mrs. June Goodwin for the lady golfers. As an added attraction, all wore goofy hats. Palm Desert Rotary Club which was lunching at the same time, provided judges for the contest. The winners were

Dorothy Pierson, whose hat was fashioned to represent a duck. Velma Blades was second with a hat that held a bird's nest with eggs. Hanging from the brim of the hat were gay little birds. After the luncheon, the remainder of the afternoon was devoted to cards. Among those attending were

Mmes. Betty Ives, Dorothy Pierson, Adele Ruge, Fran Barry, Ann Schutz, Viola Brooks, Velma Blades, Vivian Jones, Mary Caplinger, Ada Chambers, Bell Heatley, Gye Nixon, Ellen Rowell and of course, the hostess, Mrs. Goodwin.

SCMAF INSTITUTE

Southern California Municipal Athletic Federation held its annual meeting at Shadow Mountain club last weekend. More than 100 athletic coaches and representatives of recreational

fields attended various sessions on such topics as swimming pool operation and recreational sports. The group held a luncheon and a dinner meeting. Dick Whitmore, superintendent of recreation of the Coachella Valley Recreation and Parkways, acted as local arrangements chairman.

PALM DESERT BRIEFS

Mrs. H. B. Briggs entertained fifty of her Eastern Star friends at a brunch recently at the Shadow Mountain club. An

interesting luncheon was hosted by Mrs. Douglas Waldron on March 31 at the Shadow Mountain club. Twelve of her friends were entertained with lunch and bridge in tropical style. Before the luncheon, tropical drinks were served in coconut shells. Erik Rasmussen, formerly of Palm Desert is now with the U S Army, stationed in Germany. Before coming to this country, he was a resident of Copenhagen Denmark. James Stewart and family have been relaxing on

the desert recently. Stewart has added to his many acting accomplishments, the movie Rear Window. The William Lears are vacationing on the desert this week. Adding to the list of entertainers on the desert are the Gordon McRaes and the Edgar Bergens. Seen recently at Shadow Mountain were the Justin Darts. Dart is the president of the Rexall Drug company in America. The Alex Whittles from Pasadena are at Palm Desert for the Easter week. Other Easter

merry makers are the Leonard Firestones from Beverly Hills, the E. W. Stewarts from Los Angeles, the Frank Bireleys from North Hollywood, the David Hamiltons from Pomona, the Paul Huntingtons from Arcadia, the Carl Huntingtons from Los Angeles, the Harold Smiths (parents of Marilyn Harstad), Mrs. Margaret McLaughlin and daughter, Joan from Los Angeles, and the David Mac Clyments.

"So you don't believe in magic, eh? So, let's cut up with a piece of rope!"

El Mirador Photo by Jim Frey

AT A PARTY for the Chase School given by E. Roy Fitzgerald of El Mirador Hotel in Palm Springs, one of the small students was invited to assist Don Marteen, hotel entertainer, in a magic rope trick. Photographer Jim Frey registers here the facial expressions of both the boy — Terry Ward, 6 year old and in the first grade — and the genial magician. (Terry and his two older brothers, twins and seven, are enrolled in the Chase School, which is located on a two-hundred acre ranch in Thousand Palms, a few miles from Palm Springs. The boys' father, Lt. Earl Ward of the U.S. Marine Corps and an ace flier, was killed in action. Mrs. Ward is now employed by the U.S. Navy.)

If the magician is in trouble with his knotty problems, at least Terry is happy.

Redistricting Case Returns to Court Again Tomorrow

Whether Palm Springs councilmanic districts shall be realigned, a question which has spent much time in state courts, will be back in court again tomorrow.

Attorney Leonard Bock, for the faction seeking redistricting of the city, will seek a court order declaring the February election on the question as valid and ordinance in effect.

ON FEBRUARY 10, Palm Springs voters went to the polls and cast 783 votes in favor of redistricting and 596 votes against it. But as the issue to carry, required a three-fourth favorable vote, council declared it lost by 251 votes.

Proponents, however, held that the issue had a majority vote, and the ordinance outlining new district lines in effect. Council ruled against them by a vote of 5 to 2.

ATTORNEY BOCK then took the case to supreme court again and that body referred it back

to the appellate court. The latter court also declared it had no jurisdiction and referred it back to county superior court.

Judge Hilton McCabe of the Indian department of superior court disqualified himself and the case will be submitted tomorrow in Judge O. K. Morton's court at Riverside.

MAYOR FLORIAN BOYD and City Clerk Louise McCann were served with summons a week and one half ago in the new action. It seeks a writ of mandamus to have city council declare the ordinance valid or show cause why not.

The suit filed by Bock in the superior court was on behalf of Willard McKinney, Herbert Haas and David W. Dunsworth, leaders in the redistricting move.

City Attorney Jerry Bunker will represent the city in court tomorrow.

Previously the matter had gone from the superior court through the appellate court to

"Kee-si-co-sasi!" At these magic words the knot disappears and Terry's faith in magic is restored, as is the rope.

Three from City to Take Part in Lumber Sessions

Three Palm Springs lumber dealers will take active parts in the 38th Annual Convention of the Southern California Retail Lumber association, April 12-14 in the Ambassador hotel, Los Angeles, it was reported today.

They are: Milton Hicks, president, and George Derbes, general manager and secretary, Palm Springs Builders' Supply Company, Inc., 490 Sunny Dunes road, and John Dill, manager, Dill Lumber company, 691 Industrial place.

The local lumbermen will attend discussions on increases in construction costs and business failures, the trend in building, serve-yourself trade, the do-it-yourself market and the monetary situation as it affects business and industry.

the supreme court and now may be starting another round.

Gilliland Again Fails to Appear

Judge O. K. Morton again continued the divorce case of Mrs. Elsinore Macchris Gilliland when Gilliland failed for a second time to appear in court Monday.

Gilliland has been located in Arizona. Judge Morton continued the case until April 29 at 1:30 p.m. In the meanwhile, it will be determined whether, because Gilliland is in another state, his failure to appear should amount to default of an order to show cause why he should not be enjoined from disposing of community property pending settlement of the divorce suit.

A temporary restraining order to the same intent, remains in effect, Judge Morton ruled.

Mrs. Gilliland is a prominent winter resident of Palm Springs.

FORD TOPS "BIG 3" IN MOBILGAS ECONOMY RUN

New 120 h.p. Six with Speed-Trigger Fordomatic averages 22.8 miles per gallon

Ford's outstanding economy has done it again. The efficient, modern, low-friction design 120 H.P. 1-block 6 with Fordomatic has proved that you can get valuable fuel savings plus leadership performance when you drive a new '55 Ford!

Here are the official facts behind Ford's latest demonstration of traditional Ford economy; among all "Big Three" contestants, regardless of size or weight, the Ford Six achieved the highest miles per gallon average.

To demonstrate the extent of Ford's economy

over "Big Three" competition, let's look at the results in terms of your everyday driving. If all of the low-priced "Big Three" were limited to the numbers of gallons of gasoline the Ford used in covering the 1323 mile route, the Ford would have traveled over 72 miles after car B had exhausted its fuel supply—and over 142 miles further than car C.

Ford's powerful new low-friction 162 H.P. Y-block V-8 with Fordomatic proved its traditional thrift too by beating all low-priced "Big Three" V-8 entries.

St. Paul's Church Easter Services Listed by Rector

The institution of the Lord's Supper will be commemorated twice today, Maundy Thursday at St. Paul's in the Desert Episcopal Church. The usual 10 a.m. celebration will be followed by the healing service. At 8 p.m. a special celebration of the Holy Eucharist will take place, following ancient traditional practice, the altar and the church will be stripped of all ornaments and symbols immediately after the service in preparation for Good Friday.

Tomorrow the three-hour meditation service will begin in the church at 12 noon, continuing until 3 p.m. The Rector, the Rev. William A. Blanton, Jr., will give a series of seven meditations "These Behold His Glory" based upon the series which he wrote two years ago, and which have been requested by many members of the parish to be repeated. Mr. and Mrs. Alex Hammond will lead in the music, accompanied by Mrs. Eileen Carey.

Holy Baptisms have been scheduled for Easter eve at 4 p.m. Parents wishing to present children for baptism, or adults wishing to be baptised are requested to contact the Rector.

On Easter Day duplicate full choral celebrations of the Holy Eucharist with sermon will take place at 7 a.m. and 11 a.m. A simple celebration of the Holy Communion with Easter hymns being sung will begin at 9 a.m. The children's festival and mite box offering will take place in the church Sunday afternoon beginning at 3:30 p.m.

The music for the Holy Communion service at 7 a.m. and 11 a.m. on Easter Day will be that of the "Missa Dominicalis," the ancient plainsong settings used during the middle ages for the Holy Communion service. Certain portions of the musical service, such as the Lord's prayer are known to have been used before the Fifth century. The anthem for the day is based upon the 14th century "Easter Carol," "Jesus Christ is Risen Today."

St. Theresa's to Observe Easter with 4 Services

Services start Friday with Holy Communion at 7 a.m., today at St. Theresa's Catholic church with High Mass at 8:30 a.m., Adoration of the Blessed Sacrament all day and Holy Hour at 8 p.m.

Good Friday services tomorrow at 12 noon with Mass of the Presanctified followed by three hours of devotions.

Saturday Holy Mass start at 6:30 a.m. with Holy Mass at 8 a.m. Confessions will be heard 10 a.m. to noon; 3 to 5 p.m.; 7:30 to 9 p.m.

Easter High Mass will be celebrated at 9 a.m. with Low Masses at 7:30, 10 and 11 a.m.

Measure of Life is Sermon Topic

On Good Friday the sanctuary of the Community Church will be open from 12:00 to 3:00 p.m. for those who wish to have a time of quiet meditation and worship in God's house said Dr. James H. Blackstone, Jr., minister. At 7:30 a communion service will be held. New members will be received in the church and a special sermon will be given by the pastor.

Sunday school is at 9:30 a.m. At 9:30 a.m. and 11 a.m. duplicate morning services. Dr. Blackstone will speak on "The True Measure of Life." Special Easter music has been planned by the Chancel Choir under the direction of David Olson with Lois Lux accompanying on the organ.

Christian Endeavor groups meet at 6:15 p.m. in the church parlor. The program is planned around the fourth in a series of pictures on Pilgrims Progress.

Rev. Deran Yavlian will speak at the evening service at 7:30 p.m. His talk will be entitled "Disturbed by Grave Clothes." Jack Harris will play a trumpet solo.

Church Carnival Set for Weekend

Three Catholic parishes in Palm Springs will join forces Saturday and Sunday in a benefit carnival to be staged at Belardo and Alejo roads Saturday and Sunday near Our Lady of Solitude church.

The parking lot across the street from the church will be converted into a fun zone with ferris wheel, merry-go-round, human Easter bunnies, clowns, animal acts, games of skill and a forest of booths with articles donated by Palm Springs merchants.

The all-day events are sponsored by Our Lady of Solitude, Our Lady of Guadalupe and St. Theresa's churches. Proceeds go to all three for their work and for improvements.

The parishes decided to combine their fund-raising carnival this year rather than hold three individual affairs.

Father Michael R. O'Donohue is carnival chairman and assisting him are Mmes. Larry Sitter and Andrea Leeds Howard, and Joe Glaston, Joseph Pawley and Joseph Fusco.

Eisenmans Host Sunday Chuckwagon

Around 100 guests, including directors of the American Society of Metals and their wives, gathered in the sunny gardens of the William Eisenman home on Hermosa Place Sunday for a chuckwagon brunch. The tables were decorated with miniature covered wagons and a stagecoach and potted cacti. Cowboy singer Johnny Boyle played and sang several songs including "Desert Blue and Silver" and the "African Veldt Song." His daughter Linda sang and danced, and Karen Harrison joined the father-daughter combination to sing "You'll Never Walk Alone."

Special guests were Mr. and Mrs. George Roberts of Latrobe, Pennsylvania, Mr. and Mrs. Robert Rodebaugh of Plainfield, New Jersey, and Mr. and Mrs. Karl Fetter of Youngstown, Ohio. Among the other guests were the Reuben Fleets, Tom Hollands, Mr. and Mrs. Stewart Williams, Mrs. Austin McManus, Mrs. Noble Banks, the Carl Bechers, Mr. and Mrs. Oliver Jaynes, Mrs. Burnham Bigelow, and the Ken Colborns who were down from Los Angeles for the day.

Also: Mr. and Mrs. Earl Cordrey, the Sydney Schiffs, Ralph Shelleys, Mrs. William McBride, the Tom Flemings, Billy Maloufs, Mr. and Mrs. Howard Morris, Mrs. Bertha Simmons, Mrs. Eleanor Kane, Mrs. George Roberson, Mrs. Fran Blish, Bob Palmer, the Harold Murphys, Harold Hicks, the George Wheelers, Beth Scott, Julian Rambergers, Mrs. William McBride, the Bill Crawfords and many others.

Farewell Party Honors Koerners

Mr. and Mrs. Leon Koerner of Vancouver, B. Mr. Williams, architect of Palm Springs, has just completed plans for a beautiful desert home for the Leon Koerner's on property adjoining the Biltmore. Building will start this summer about the middle of June.

Party Celebrates Theresa Hicks' Third Birthday

Pretty little Theresa Hicks wore a fluffy pink dress and a pony tail matching her mother's (Mrs. Milt Hicks) for the party which celebrated her third birthday on Sunday.

The floor of the Hicks' Thunderbird home was covered with vari-colored balloons when the young guests arrived and this started the party off with a bang. Ice cream and birthday cake was served in the garden. Mrs. Maury Smith brought her small daughter Anita, who was wearing a little Easter bonnet decorated with pink roses. Mrs. Randolph Scott brought their two youngsters Chris and Sandra. Other party guests were Michael Kiner, Little Desi and Lucy Amaz, Blair Sanchez, Phyllis Harris, Dede Postern, Dana and Donnie Compton and Scott Susala.

Pat Hicks assisted in serving the refreshments and nine-month-old Alvin Milton Hicks made an appearance. Also there for the party were Mrs. Joe Dyer and Lee Anderson.

Oasis to Stage Easter Egg Roll

Easter is "busting out all over" the Oasis this week! One of the largest gatherings of children are assembled at this popular hotel for Easter vacation. Tomorrow morning an Easter Egg Roll will be held on the lawn of the Oasis for the many, many youngsters now enjoying that beautiful resort hotel.

One family spending much time about the Oasis this week is that of Gilbert Duffy Jr., of Seattle, who have their four young daughters, Jinx (Eugene), Joanne, April and Wendie in Palm Springs for two weeks. Mrs. Gilbert Duffy Sr. is staying at the Oasis as is Mrs. C. A. Cook, mother of Mrs. Duffy Jr.

Others enjoying Easter at the Oasis this week in the family group are Mr. and Mrs. E. C. Metzger, also Seattle, who have their two daughters-in-law and children here for two weeks. They include Mrs. Edward C. Metzger Jr. with daughters, Nikki and Robin. Also there now is Mrs. Richard Metzger and sons, Rickie and Bonnie. From Pasadena have come the R. E. Spaldings and two young sons, who always spend Easter holiday at the Oasis.

Among other Easter guests are: Mr. and Mrs. Stewart Kenard and child, Los Angeles; Mr. and Mrs. R. A. Arrington and children, Mr. and Mrs. Frank Dearing, Mrs. Dearing and son, Mr. and Mrs. John Hilton and Joanne, Mrs. S. J. Buckingham, all of Los Angeles; Mrs. Edward De Mattei and son, San Francisco; Mr. and Mrs. John Lemmer, Escanaba, Michigan; Mr. and Mrs. T. S. Kinney, Bellevue, Washington; Mr. and Mrs. Hall C. Ross, Hillsborough; Dwight Partridge, New York City, and many others.

Mr. and Mrs. Henry Hafer of Chicago have been visiting with the W. C. Thornbtons at 470 Camino Norte for the past three weeks. The Hafers' daughters Harriet and Francine came last weekend to spend their Easter vacations here. Francine is a Junior at the University of Colorado in Boulder. The family plans to leave for home this weekend.

party were Mr. and Mrs. Robert L. Brechbill of Los Angeles.

NATIONAL PRESIDENT of the Ladies Auxiliary to the Veterans of Foreign Wars will be the guest of Frontier Auxiliary at a luncheon at El Mirador today. Auxiliary members from all over Southern California are expected to attend.

Sunday Brunch is Popular

The Sunday brunch at El Mirador drew its usual crowd with many joining the breakfast riders for the brunch.

The P. K. Wrigleys, who were over from Phoenix for the Desert Arabian Horse Show, were with Mr. and Mrs. Henry Faur-ot Jr.

Others at the brunch were Mayo Levick (steel man) of Erie, Pennsylvania, the Harry Martins of St. Louis, the Max Niemans of Chicago with the Vernon Wagners of Glencoe, Illinois, Dr. Paul B. Hansen of Portland with Mrs. Atlee B. Walker of Seattle, Elsinore Marchis Gilliland with her attorney, William L. Murphy and his wife, Mr. and Mrs. Henry Hafer of Chicago, and a party hostessed by Mrs. Lloyd Frank.

Fete Visitor at Birthday Party

Mr. and Mrs. J. L. Stone, of Lake Shore Drive, Chicago, gave a birthday cocktail party for Mrs. Marvin Welfeld of Chicago at the Palm Springs Biltmore.

Those who were well wishers on this natal day were Mr. and Mrs. S. E. Johnson, Glen-coe, Illinois, Al Steln, Lake Forest, Illinois, Mrs. Sam Kart, Chicago, Sam, Mrs. Mr. and Mrs. A. Epstein and Samuel Levin of Palm Springs.

AN ELABORATE FLOOR SHOW of singers and dancers, starring Tani Marsh and George Kainapau and two orchestras.

Spectacular Floor Show Marks Luau

Originally planned for El Mirador gardens, the giant luau Saturday night was moved indoors when the desert winds blew down most of the decorations. Grass shacks and all were successfully moved inside before the dinner hour and the topnotch floor show and elaborate and exotic luau buffet added up to a highly entertaining affair.

Many of the guests were in costume and wearing leis and coconut hats and quite a few added to the authentic South Seas atmosphere by their dancing.

The entertainment, directed by Tani Marsh and starring the graceful dancer and George Kainapau, songbird of the islands, presented eight-year-old Naline, who performed a charming hula and knife dance with an astonishing maturity of interpretation. There were ritual dances, drum and knife and fire dances. A highlight was when the dancers came into the darkened room, each bearing a candle flame light; Tani did her graceful, sinuous dance, and the sweet falsetto voice of Kainapau was heard as he approached through the dining room.

Jon Hall, star of films and TV, joined Tani in dancing the Tahitian Love Dance. A native of Tahiti and an expert in Tahitian dancing, Hall performed with professional skill. Hank Gogerty of Desert Air hotel, did his comedy "Cockeyed Mayor" routine, with special lighting effects.

Spacious El Mirador Room was well-filled for the luau and the dance floor was crowded before and after the floor show.

Village Couple Wed in Las Vegas

Mrs. Robin Reddick Duvall of Washington D. C. and Palm Springs and Thurman W. Arnold Jr. Palm Springs attorney, were married in Las Vegas Saturday afternoon by District Judge Frank McNamee. Following a short honeymoon at Lake Mead and Boulder City they will be home in Palm Springs next week.

Arnold, the son of the former assistant U. S. attorney, who was in charge of the anti-trust division from 1938 to 1943, is associated with the law firm of Simon, Wing and Brown.

The bridal couple were attended by Mr. and Mrs. Merrill Brown.

Herb Club Entertained

Around 30 members of the Santa Ana Club motored to Palm Springs Saturday for luncheon with Mrs. W. R. Cowan, a member of the club, at her home at 444 Via Lola.

Easter Bonnets to be on Parade

Flowers and Easter bunnies, fruits and jewels, ribbons and every kind of frill will decorate the hats to be worn in the Easter Hat Parade that is an annual affair at The Tennis Club. The affair will be a pool-side cocktail party from 5 to 7 p.m. Sunday evening and there will be prizes for the most original and attractive hats.

The usual Sunday night dinner-dance will follow. Among those planning tables for the dinner and decorating hats for the parade are Mrs. Bertine Treat, Dr. and Mrs. John Costello, the Edwin Fallgrens, Billy Malouis and Sam Taylors, Mr. and Mrs. Bob Hope and their friends the Robert X. Morrells of Los Angeles have dinner reservations.

Buffalo Visitors Dinner Hosts

An interesting group at the Sunday night buffet at the Racquet Club was hosted by Mr. and Mrs. Paul Schoellkopf (they own the land around Niagara Falls and have the electric power rights to it plus a TV station in their hometown of Buffalo).

Their guests were Mr. and Mrs. John Scripps of San Diego (of the newspaper family), Ron Wagoner of San Francisco (United Press), Hollywood columnist Aline Mosby, Mr. and Mrs. Newton Hotchkiss and Mr. and Mrs. Tris Colket of Sheridan, Wyoming.

Dr. and Mrs. Alex Arieff, of the Western University of Wilmette, Illinois are vacationing at the Palm Springs Biltmore Hotel.

Mr. and Mrs. George Brock (Brock Jewelry) spent the Easter weekend at The Desert Inn.

SAHARA PARK

The Park with the Country Club Atmosphere

Our land is privately owned thus affording protection for your investment.

WATCH SAHARA GROW!

The Trailer Park of tomorrow, today built by men who had the know-how with the actual experience of living in trailers in the desert, will continue to live here all year around and our every thought will be to make Sahara a model park.

What else when you have a big job to do, but to find a big man for the job and we are pleased to announce that Mr. and Mrs. Bill Veith, will manage Sahara and they are no doubt the best in the business and have a wide experience in trailer park management, and what trailerite in the Palm Springs area hasn't heard of Ebbie Alexander, the man who can put a trailer thru the eye of a needle and also has the job of keeping the park in tip top shape.

Our shuffleboard courts are illuminated for evening playing, the writer has memories of balmy nites in May and June which are two of the best months in Palm Springs for poolside parties, and outdoor games.

The wonderful acceptance of our park has been very gratifying and the next two weeks will see us extending the park, building the grocery store and the special Men's Clubhouse at Sahara.

In Sahara You May Build Ramadas and Cabanas

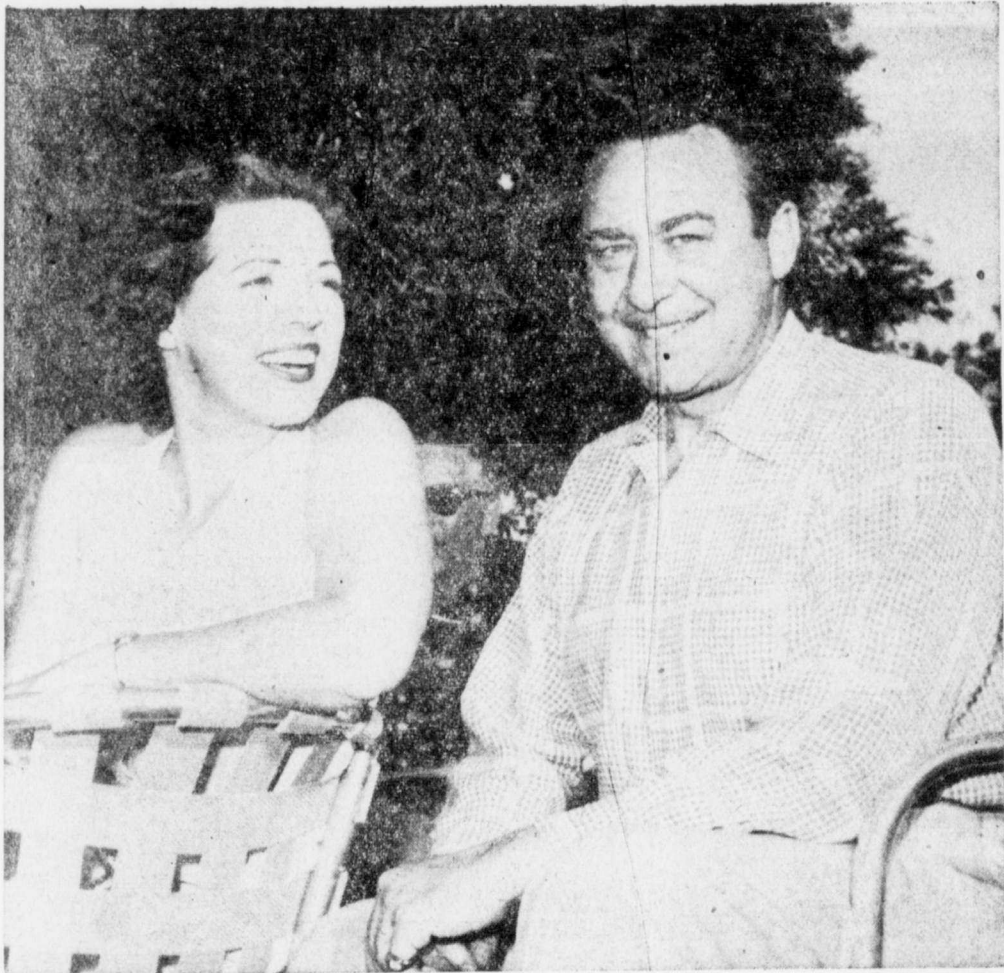

If you have never been in an up-to-the-minute Trailer Park may we have the pleasure of giving you the grand Tour of Sahara.

Exhibit Fifty Six Varieties of Desert Flowers in Show

More than five hundred Villagers and visitors to the desert area enjoyed the profusion of flora shown at the annual Flower Show of the Palm Springs Garden Club at Kelley's Furniture Store in the Center on Saturday. Fifty-six varieties of flowers, all grown in the desert, were among the couple hundred entries.

The public judged the entries, by voting for their choices in the four different classifications while they visited the showing. The winners of the popular vote were, in the class of roses, an arrangement of long-stemmed red Hadley roses in a green glass bowl entered by Mrs. N. Fern Jones. Mrs. George Manington won in the Arrangements with her old-fashioned purple Iris and matching pansies, in a brown pottery container with green lining. Mrs. Carl Lykken's white petunias in a copper bowl drew the largest vote of approval, of all the beautiful bouquets. The fourth winner was a miniature, entered by

Mrs. Harrison Leussler, a combination of maroon flowers, topped by pale blue pansies in an iridescent bowl. About 465 visitors to the Show cast votes.

Mrs. Thomas Holland was general chairman of the flower show, assisted by committee members Mesdames Arthur Hoff, William McCarty, George Manington, Clem Rogers, Daniel McCauley, Glenn Watson and Mr. Walter H. Field. Publicity was handled by Mesdames Donald Lockett and Oliver Jaynes. Garden Club President, Mrs. Arthur Hoff, and many garden club members, were at the show all day to answer questions, receive the ballots for the most popular entries, and to greet the visitors to this showing, which was generally agreed to be an outstanding event of unusual beauty, the flowers being of exceptional quality and variety.

Blithe Spirit Shown Again this Weekend

Noel Coward's comedy "Blithe Spirit" which opened last Friday at the American Legion Auditorium, will be repeated this weekend Friday, Saturday and Sunday nights by the Palm Springs Player Stage the Village's new community theater group.

"Blithe Spirit" delighted last week's audiences with its enchanting story of the reappearance of the spirit of an English author's first wife, while his present wife, unable of course to see or hear her, runs the gamut of high comedy. A brilliant cast of resident performers does an outstanding job with this ultimate in sophisticated comedy.

Peggy Cease as the enchanting spirit, Irene Rauch as the wife, Bill Ayers as the harassed author, and Helen Morris as the extremely funny medium, head the cast. They are ably supported by John Kramer, Sonia Clive, and Lorraine Harper as Edith the maid. An excellent setting of an English country home, built and designed by Lee Krikorian, lends atmosphere and backing to the show. All in all, the complete excellence of performances, direction, production and technical design shows wealth of talent in the desert area. Reservations may be made by phoning 7280, or tickets may be obtained at the Village Pharmacy, Palm Springs Drug, Palm Springs Music Company, or at the boxoffice on performance nights.

Former Villagers Bill and Mary deGroot were down from Los Angeles to spend the weekend at the Racquet Club.

Socialites and Stars to Man Booths at Carnival

A novel feature of the Giant Easter Carnival in Palm Springs April 9 and 10 will be the manning of food, gift and game booths by filmies and socialites. Palm Springs' three Catholic churches and lone parochial school, St. Theresa, are depending on proceeds from the carnival to sharply reduce their indebtedness. These parishes are operating on a larger budget than ever before because of the unprecedented population expansion in the desert area. The carnival has been designed to offer fun for all ages, but the rides, clowns and animal acts will make it a child's paradise.

The super carnival will be held on the parking lot directly across from Our Lady of Solitude Church on Alejo road and is under the general chairmanship of Rev. Michael R. O'Donoghue.

This is always the biggest of the Easter affairs and is expected to draw crowds both days.

John Holt, one of the most prominent criminal lawyers of the Pacific coast, is enjoying the desert and relaxing at the Palm Springs Biltmore Hotel. Former president of the Bar Association of San Diego, Mr. Holt is flying to Las Vegas for a meeting of the American College of trial lawyers, and then returning to the Biltmore to resume his vacation.

Mr. and Mrs. A. R. Simon of 1820 Via Norte have entertained at cocktail-buffets the past two Sundays, with around 60 guests at each affair.

EVERYONE WANTS AN EXTENSION TELEPHONE!

It would be simple to install a small extra bonfire near the entrance to the teepee. Then the little bride wouldn't have to walk so far to answer incoming smoke signals. And she would appreciate the chance to chat with her friends and watch over her cooking at the same time.

You can become a real chief around your wigwam by installing an extension telephone in the kitchen or in the bedroom. And if you prefer the outdoor life, install one near the patio or garden.

Why not check with our local telephone office today about this low-cost convenience?

Easterners Here for Three Weeks

New Yorkers Mr. and Mrs. John Pearson (he's president of the John E. Pearson Television Company), friends of Mr. and Mrs. Howard M. Matthews, of 680 North Calle Rolph, are here for a three week stay at the Lone Palm.

The Matthews entertained the visitors at the Tennis Club on Thursday night. Friday night the Pearsons were hosts to the Matthews and their daughter Grace at a dinner at the Palm Springs Ranch Club. On Saturday night the two couples were joined by Mr. and Mrs. Robert Walker of Brentwood and they were a merry party at El Mirador's luau. The group wound up a busy week end by attending the Sunday morning brunch at the Tennis Club.

New Board Members to Take Office

New committee chairmen and members of the executive board of the Palm Springs Woman's Club were introduced by Mrs. Boyd Andrews, club president, as they took their offices for the coming year, Monday afternoon at the club house. A short business session was held at which time more plans for the Easter Monday luncheon and card party at Deep Well Ranch were revealed. The number of tickets for this event is limited to 200 and reservations still may be had by calling 4292 or 6548.

The musical portion of the program was presented by "The Melodians" under the direction of Hazel Quinn, pianist. Members of this interesting group are: Bea Johnson, soprano; Ernie Allison, mezzo-soprano; C. E. Milligan, tenor; Carl Huddleston, baritone; and Janice Simmons, violinist. The first part of the program was devoted to music in keeping with the Easter Season; the second half consisted of popular songs and medleys from well known musical operettas. The colorful gowns plus a high sense of showmanship and musicianship provided an afternoon of outstanding entertainment.

Mrs. Mattie Peck was tea chairman and she was assisted by Mmes. Lee Havener, Edward Hogan, Floyd C. Mitchell, Homer Hilton, Roy Verrier, E. W. Kadera, Ellen O'Brien and Ralph Wood. The beautiful stage decoration in the Easter theme was done by Mrs. William A. McCarty.

After the lecture tea will be served in the church parlor by Mrs. John Williams and her committee.

As is usual, the Missionary Society will meet at 12:30 for a sandwich luncheon. Mrs. Harry Yesley will conduct this meeting.

OES TONIGHT

Palm Springs chapter Order of Eastern Star will hold its regular stated meeting at 8 p.m. at the Masonic Temple on Ramon road.

"Papa is All" Opens Before Another Pleased Throng

It was another gala opening night on Tuesday at Palm Springs Playhouse when theater patrons arrived to see Herb Rogers' production of "Papa Is All." This week's play is the 13th in the series of 14 to be presented in Palm Springs this season. A crowded Playhouse and unusually large crowd turned out at the First Nighter dinner for the next to last festive opening here.

"Papa Is All," a drama with sparkling bits of comedy was written by Patterson Greene and held the audience keenly interested through the three acts. In fact there were some tense moments when everyone feared "Papa's" return and even at the times the audience was so absorbed in the action that they moaned loudly to warn the cast of his approach, or sighed deeply when a secret was let out before him. It is the first play of its kind presented this season, where the audience literally felt they were part of the family life.

Returning to play the lead of "Mama" was Peggy Walker, who is not new to Playhouse audiences here. She was a regular member of the cast a few seasons ago and since has returned only for special parts. She has been successful in east coast theater productions and in motion pictures and on T.V. With the entire action taking place in the heart of the Pennsylvania Dutch Country the entire play was in that dialect and Miss Walker was a perfectionist in the dialect, never for a moment forgetting her role. Sharing the starring role was

Palm Springs great favorite, Helen Stenborg, who always turns in an excellent performance. This week she plays Mrs. Yoder, a gossip neighbor... and Oh, the trouble she stirs up!!!

Michael Ferrall, who also directs the play is cast as "Papa" and turns in his best performance of the season in the character role. Usually cast as the suave gentleman of the world, he fits into this character part and almost makes the audience hate him, for he is truly a villain. Only complaint from his many fans was that they were devastated to have "Handsome Mike" shave his sophisticated mustache off for this part which called for an unkempt sort of farmer type.

Robert Mandan as Jake the son, who was held down by his father, and made to feel slightly crazy for his inventive ideas with mechanical devices, played a convincing part. Mary Foskett played the daughter, also dominated by her father. Sidney Breeze this week had a minor part as the State Trooper. Next week for his final production Herb Rogers will present a Noel Coward play "Hay Fever." All Palm Springs has been more interested in the Broadway productions this season than in any of the last six years since Mr. Rogers has brought his company to our resort. Each member of the cast has become a part of our community and will be greatly missed when they return to Highland Park, Ill. but they promise to return to Palm Springs next January for another series of plays.

FINDING EASTER EGGS means keeping your eyes on the ground, especially if it will help win an Easter Bunny as first prize. Children at El Mirador hotel are all set for the annual Easter morning breakfast out on the lawns and the Easter Egg hunt that follows.

This Week's Garden Hints

FROM THE PALM-SPRINGS GARDEN CLUB

Palm Springs is never so lovely as when its many varieties of Flowering Trees burst into bloom and make every garden a show place.

The indigenous Palo Verde with its yellow-green bark and gay yellow massed blooms is perhaps the showiest whether on the open desert or cultivated in the local garden. It is fast to grow, has a wide spread and because of its spiny leaves, does not throw too much shade. Avoid the variety Parkinsonia which leads the field for shedding and covering the garden with debris.

The Jacaranda is the lacy

chartreuse-foilage tree with extravagantly lovely lavender blooms. Very Hardy. Grows upright with little branching. Don't crowd as it reaches for the sun.

The Orchid Tree with its aspen-shaped leaves, comes in either white or lavender blooms, orchid shaped. This tree is charming for small gardens or patio.

The Scarlet Bottlebrush comes as either shrub or tree. It is one of the most graceful and decorative of all of our flowering trees. Particularly lovely over garden walls or by ponds. This is rapid growing

and should be planted in full sun. Resist colds to 15°.

The Acacia is a sun worshiper and is drought resistant. Has grey-green foliage and feathery yellow blooms. Several varieties.

The White Lily tree has been recommended for the desert as it resists wind and cold and is very hardy. A symmetrical slender tree, it gives good shade, is evergreen, similar to the live oak, and gives a small white bloom in early spring.

Probably most important of our flowering trees are the Citrus. The fragrance of their blossoms and the decorative effect of their fruit enhances any garden. The Lisbon and Eureka and Meyer are the three varieties of Lemon best adapted to the desert. Washington Navel and Valencia are the two best oranges. This section is particularly well-suited to the culture of grapefruit, the most luxuriant of the citrus trees. The Marsh or Pampelo is the best. Plant your citrus in February, October, or November. One to two year trees are most satisfactory. Plant in area protected from the wind, in a light, shady soil, enriched with compost. Irrigate every two weeks in winter and once a week in summer. For summer irrigating provide tree with a generous water basin around the base. Feed with nitrogen when bloom and growth are active. Pruning should be confined to the removal of dead or broken limbs. Protect young trees against summer burn by wrapping trunks with paper or burlap. Spraying the ground

Beaux Arts Committees Are Named

Big windup affair of a season that has been crowded with balls and fabulous parties at El Mirador will be the Beaux Arts Ball on April 22.

Themed to "One Arabian Night," the Ball will be chair-manned by Bill Tomberlin, with Helen Clarke, curator of the Desert Art Center, assisting him. On the committee, representing various Village and desert organizations, are Isabelle and Don Cameron of the Mirage, Bobbie and Bill Perlberg of the Racquet Club; Mr. and Mrs. Milton Page of Shadow Mountain Club; Andrea and Bob Howard of Howard Manor; June and J. Ross Clarke of Thunderbird; Joyce and Noel Clarke of the Palm Springs Ranch Club; Vicki and Billy Malouf of the Tennis Club; the George Robertsons of The Desert Inn; Bettye and Monte Herbert of Tamarisk Country Club.

E. Roy Fitzgerald of El Mirador will reign over the Beaux Arts Ball as Grand Sheikh Abdullah Ben Allah el Emir or some such title with rumors afloat that there will be a harem of beautiful damsels in attendance.

Those already named are Judy Howard, Daphne Cameron, Mrs. J. Ross Clark and Betty Callan having accepted at this time.

Costumes will be in all styles of the Near East and a representative of a Western Costume company will be in town to take orders for costume. Saris, veils, floating robes, turbans will add to the colorful "One Arabian Night."

Dancing will be to the orchestra of Desi Arnaz who will also provide a portion of the entertainment, with other entertainers to be announced later. Tickets are priced at \$12.50 per person.

RUMMAGE SALE

The Women's Circle of the Community Church will hold a Rummage Sale on April 15, starting at 10 a.m. at the residence of Rev. Deran Yaylian, 330 Baristo road.

All salable articles, from buttons to bedspreads will be appreciated. Those wishing to have articles picked up are asked to call 4520 or 6291.

around trees with iron sulfate once a year will improve the color of the leaves.

There is a good bulletin called "Citrus Culture in California" obtainable from the College of Agriculture, Berkeley, California, that will give you detailed information on citrus planting and care.

In our next article we shall give you a list of non-flowering trees for your gardens.

Date Empire Shrine Club Plans Spring Supper Dance

Plans for their first social affair were discussed at the regular monthly meeting of the Date Empire Shrine Club, held Monday evening at the Elks Club in Indio, with President Allan Willard presiding.

Henry M. Stanley gave a complete report regarding the Spring Supper Dance to be held on Tuesday evening, April 19, at the Shadow Mountain Club. This will be the first of many social events under the sponsorship of the Date Empire Shrine Club.

All Shriners, Masons and their friends are invited to participate. Tickets are available from the Indio Florists or from any member of the Shrine Club. The exclusive use of beautiful Shadow Mountain Club has been made available for the Shrine party, and president Joe Moon and manager E. J. Bou-dreau are giving this social event their personal attention to assure its success. Jack Jenkins has secured 15 door prizes.

Dr. Charles B. Alexander of the committee, announced that Potentate of El Bekal Temple, Judge O. K. Morton and his wife will be present. Dr. Alexander, who has charge of table reservations, reported that a considerable number of tables have been reserved already and that a number of Shrine's are hosting tables that night.

Famed Puppets at Ranch Club

"Bobo," the bashful and timid clown and all of the other puppets of the internationally-famed Bob Baker show, will be in the Rodeo Room at The Ranch club Sunday morning to entertain at a children's party starting at 11 a.m.

Besides the puppet show, a 45-minute event "in the round," there will be an Easter egg hunt for the children, candies and favors and other events on the program for the youngsters.

Baker and Milton Wood are masters in the puppet show field and an entertaining and exciting morning is in store for the youngsters—and their parents.

Williams Planning to Attend P.O. Session April 23

Postmaster Merritt Williams is expected to attend a Post Office Management Institute, scheduled for San Diego on April 23.

Recent management developments in the post office department will be told postmasters from all over Southern California at the Institute by government officials.

It is the first Institute of its kind to be held in the Southland.

JUNIOR HIGH department of the Community Church Sunday school enjoyed a picnic Friday night at Sunny Cove. The gang is shown above posing for the photographer on their hayride

and weiner bake. The party was under the supervision of Sgt. Ted Greene of the police force. Mrs. William Catherwood, Judge Richardson and the Rev. and Mrs. Deran Yaylian. Mickey Finn entertained the group with several guitar numbers.

APPROVE DANCE PERMIT

Dance permit for the Arthur Murray Studio, El Mirador hotel, was approved by city council Tuesday evening, upon recommendation of City Manager R. W. Peterson.

GYPSY ROSE LEE, the girl who glorified the female form and came up with so many other talents such as mystery story writing for which she is equally as famous, makes her debut for the first time in the Chi Chi Starlite Room Monday night. On the same bill with her and sharing the starring honors is the versatile and most popular Paul Gilbert, comedian of stage, screen and radio. He is returning as a result of local public demand.

ANNOUNCING Our New Service Manager

MR. R. H. "CHUB" BORDEAU

His history — 29 years working experience in service departments 15 years as a line mechanic and 14 years as a service manager. Mr. Bordeaux comes to us from one of the largest Chevrolet dealers in the Los Angeles area, where he supervised service for one Chevrolet dealer since 1949. His employment record speaks for itself — 4 positions in 29 years.

We are Proud to Make This Announcement to You...

The customer is entitled to have better service than we have been giving, and this is our BIG move toward our goal, of giving our customers the best service possible. All our mechanics are **NEW EMPLOYEES**. General Motors trained mechanics with years of experience. Also new employees are coming, as soon as they can be released from present employers.

"I am determined to render the type of service to you, as I like to receive myself — and nothing will stop me, until this objective is reached." D. C. Stachler, Owner.

Bordeau Named Service Head at Stack Chevrolet

D. C. Stachler of Stack's Chevrolet dealership at the corner of Palm Canyon drive and Sunny Dunes road, announced today that R. H. Bordeaux had been appointed service manager at the local establishment and that service would be emphasized to the utmost degree. Bordeaux has had 29 years of experience in servicing automobiles. He was for 15 years a line mechanic and for the past 14 years, service manager. He comes to Palm Springs from one of the largest Chevrolet dealers in the Los Angeles area and has supervised service for one Los Angeles dealer since 1949.

Stachler said that the customer will get the best service possible. All of the mechanics at Stack's Chevrolet are General Motors trained men with years of experience. The staff will be augmented from time to time by more trained men.

And Now a Boy! Shouts Waldron

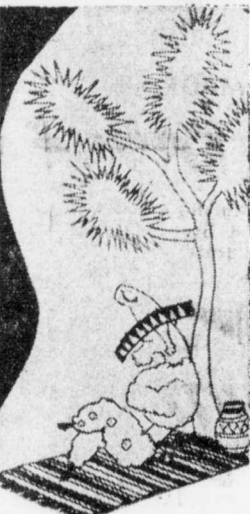

"To never give up hope under any circumstances. That's going to be my creed from now on for the rest of my days," declared a jubilant Will Waldron, figuratively shouting that announcement from the house tops.

The reason for this was explained in the following statement by the long time Villager and former hotel operator here, "I became the father of an eight pound seven ounce boy," he proclaimed. "That in itself doesn't mean much to many fathers but remember Mary, my wife, and I are parents of four girls. And now a boy! Wowieee!"

The son arrived at Desert Hospital.

Desert Museum Directors Named

Nominations for directors of Palm Springs Desert Museum for the coming year were reported at last Wednesday night's membership meeting at the Museum building.

On the board will be Ernest Alschuler, Philip L. Boyd, Newton Hotchkiss, Oscar Stern, August G. Kettmann, F. Thomas Kieley, Mrs. Chester C. Moore, Judge Hilton McCabe. All are for three year terms.

Board of directors met this week to elect officials for the Museum.

Desert Art Center

By JEANE COUTTS ANGUIANO

A reception Tuesday marked the opening of an exhibition of paintings by William Darling whose one-man show is the first of a series to be held at the Desert Art Center Gallery. Darling, who was born in Hungary, has been in the United States most of his life and has been a resident in the desert for many years. His work and achievement in motion picture art direction is widely recognized as are his oil paintings of the desert. Several Oscars in his possession indicate the pinnacle of success William Darling reached while pioneering the field of motion picture art direction. Part of his background involved the years he spent studying at the Budapest School of Fine Arts in Hungary.

Members of the Desert Art Center extend a welcome home to Axel Linus and his wife who have been touring Europe for many months. As an indication of his return the Gallery is graced by one of Linus' beautiful portraits, one recently painted of Mrs. Swanson.

Seen at the Desert Art Center Gallery were Mr. and Mrs. Carl Sammons. Carl Sammons is well known for his marine paintings as well as landscape paintings. The reception will be held April 14 and all the participating artists are invited to attend. Artists are encouraged to submit their finest work for the exhibition that will continue for two weeks.

A box-social dinner will be held as a farewell party for Mrs. "Billie" Williamson and a welcome for Mrs. Helen Beatty Clark by members of the Desert Art Center on April 28.

You Haven't Seen Everything

This is new on the market! This is a three bedroom with three bath HOME, not just a house. Large family size living room with fireplace. There's a den and the extra large glassed lanai faces a south patio. A modern kitchen to please the Mrs. There's a two car garage. Located within walking distance for shopping. \$35,000 UNFURNISHED.

Closets and windows don't make a house but they sure make it comfortable. This very spacious four bedroom and three bath home has miles of closets. Plus lots of windows. A relaxing living room with fireplace is flanked by a glassed in lanai. Beyond this is a covered patio. Separate dining area is accompanied by a step saving kitchen. The circular drive and inviting entrance hall are impressive. Large lot has been walled and interwalled. The landscaping includes citrus and orchid trees. \$35,000. FURNISHED

Palm Springs Trip of the Week

PALM CANYON

By CHRISTY COMERSE
Only a short seven miles from Palm Springs by way of south Palm Canyon Drive is a 15-mile long desert gorge through which courses a stream of icy snow water. It is Palm Canyon. Five miles from the village the road leads through a toll gate, Palm Canyon being one of the Cahuilla Indian domains. The toll fees go to Washington, D. C. where they are credited to the tribal fund and apportioned back to the Indians. An easy foot trail leads to the floor of the canyon from the rim where an ample parking area is available and a rustic shop has Indian wares for sale. On the canyon's floor are many picnic benches and tables for those wishing to spend the day in this beauty spot.

The wild palms of Palm Canyon (genus Washingtonia) or commonly known as desert fan palm, have been the subject of considerable study since they were first reported in 1846 by Major W. H. Emory. Except for a few isolated groups in Arizona and Lower California, the species as far as it is known is confined to wild ravines and gorges of the Salton Sea drainage area. It is thought by some that the trees may be survivors of extensive palm groves which one time fringed the shores of prehistoric Lake Cahuilla.

This is the sixth of a series of Desert Sun articles designed to point up some of the many things to see and do in the Palm Springs area. The articles will be slanted to both visitors and villagers. Many residents become so caught up in the busy Palm Springs world, that they, too, need reminding of the nearby wonders. Photos and text are courtesy of the Palm Springs Chamber of Commerce.

washes the base of the granite rocks, are trees typical of California's lower elevations; willows, sycamores, alders and tamarisk. Higher on the canyon slopes are mesquite and catclaw, the latter burdened with pearly desert mistletoe; creosote, ephedra, encelia and barrel cactus.

Farther up the canyon the rock walls, continually seeping water, are sprayed with great showers of maidenhair fern. Here also in the moist earth beside the stream are slender tulips and crisp, green patches of watercress.

Without doubt Palm Canyon's magnificent forest is unique

Booklets on Preparedness Available at CD Office

Palm Springs Civil Defense headquarters now has a limited supply of booklets for home preparation as part of the city's disaster preparedness program. City Manager R. W. Peterson, local CD director, announced this week.

Available to interested villagers are the following official booklets, "Family Food Shelf," "Emergency First Aid," "Emergency Sanitation," and several designs for the construction of a family shelter area.

Listed among emergency items to have in the home in the event of an emergency are:

A three-day supply of packaged food, securely sealed, and including canned meat, canned fruit juices, dried fruits, cheese, nuts and hard candy; a good flashlight with extra batteries; an extra battery radio if the family owns a portable one; a sensible first aid supply; an emergency cooking setup, dietary and medical supplies needed by the family.

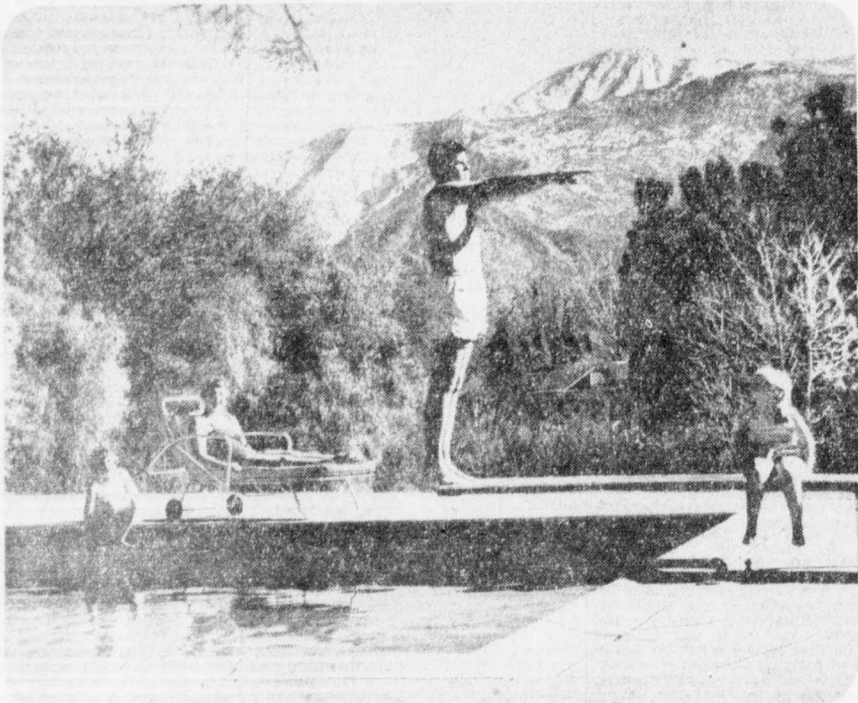

Civil defense officials also urge that cars be kept well supplied with gas and tires at all times.
